Kishorachandrananda Champu: A Complete Study in Multiple Mediums Soumya Biswajit, 2026-01-01 The Kishorachandrananda Champu authored by Kabis r ya Ba adeba Ratha is a monumental work of Odia literature and Odissi music. Considered a magnum opus it tells the story of K a and R dh s union enabled by Lalita Radha s close companion using a set of 34 songs each one starting with a different consonant from the Odia alphabet. For centuries this Champu has lived through Odissi dance and music. It has been partially adapted into performing arts and taught through oral tradition yet never in its complete form. This book finally brings the entire Champu together in one place in its full literary musical and aesthetic wholeness making it the first ever complete multisensory archival of the Kishorachandrananda Champu. It takes you through detailed explanations critical commentary and translation allowing the text to untangle. Each composition is recorded and presented to you via Spotify codes and QRs for YouTube. Each chapter is further illustrated by pattachitra paintings allowing you to peek into the art and literature of the 18th century. The book ventures into etymologies philosophical undercurrents metaphors colloquial expressions and influence of other languages on Odia. Designed as a comprehensive multisensory companion it allows the Champu to be read heard and visually experienced as a living work of art. It has been crafted for both scholars or serious readers of Odia literature as well as enthusiasts looking for a peek into the vast world of Odissi music. As you turn these pages you are invited into a conversation with a timeless text from the late 18th century leaving you eager to return.
