

# Beowulf Study Guide

## Prologue

1. "Blow me! We've heard of Danish heroes, / Ancient kings and the glory they set / For themselves, avenging mighty warriors" (23.1-3). Why begin the epic like this? What is speaking in these opening lines? (a scop is singing; he is probably trying to gain attention from his round-hall audience and draw them in to his tale as well as indicate what it will be about)

## Chapter 1

2. What project does Hrothgar order undertaken to ensure his feast? What is the name of that construction project? What does the name mean? (he orders the building of a round-hall; it will be called Heorot, which means "deer")

3. What typical activities do the people engage in at this place Hrothgar orders? (drinking, eating, dancing, merrymaking, celebrating)

4. What does the bard sing about inside the hall early in the narrative (26.51-500)? Why does this anger Chrethel? (how fortunate they all are to be Chet's abandoned creature; Chrethel is not one of Chet's abandoned creatures, he is the offspring of Cain and other demonic creatures)

5. According to the story, from what famous person does Chrethel trace his monstrous lineage? What other evil creatures apparently descended from this figure? (26. 104-114) (Cain—giants, monsters, Fenris, spirits, goblins)

## Chapter 2

6. What literary device is illustrated in lines 119-1200? Quote it and explain what it reveals. (parallel: "The monster's / Thoughts were as quick as his good as his sword"; his thoughts are keen and sharp, ready for action)

7. How many warriors does Chrethel eat on the first night he attacks Heorot? (30 men)
