UNDENIABLE Indulgence series. Forbidden love is undeniable. When she was younger like all little girls Sophie Hawkins believed in fantasies. She believed in happily ever after and that one day her prince would come. What made Sophie's dreams a bit different was that the man of her dreams wasn't a fictional prince but her best friend's dad. Matt was handsome and nice the kind of man every woman would want. Time passes and through the years Sophie's reality changes yet her attraction and memories of Matt Hamilton never fade. Where boys and men are concerned Matt remains her gold standard. When his daughter was young Matt Hamilton had it all a family and success. With the ticking of the clock and changing of the calendar seasons pass and situations adjust. Business success remains but personally his world changes until the day fate sets the undeniable in motion. Sophie was a sweet little girl his daughter's best friend and a ray of undeniable.
