

Gateway To Freedom The

Jordan R. Jensen

Gateway To Freedom The:

Gateway to Freedom Eric Foner, 2015-01-12 The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom More than any other scholar Eric Foner has influenced our understanding of America's history Now making brilliant use of extraordinary evidence the Pulitzer Prize winning historian once again reconfigures the national saga of American slavery and freedom A deeply entrenched institution slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution Slaves could be found in the streets of New York well after abolition traveling with owners doing business with the city's major banks merchants and manufacturers New York was also home to the North's largest free black community making it a magnet for fugitive slaves seeking refuge Slave catchers and gangs of kidnappers roamed the city seizing free blacks often children and sending them south to slavery To protect fugitives and fight kidnappings the city's free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835 In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South Washington and Baltimore through Philadelphia and New York to Albany Syracuse and Canada These networks of antislavery resistance centered on New York City became known as the underground railroad Forced to operate in secrecy by hostile laws courts and politicians the city's underground railroad agents helped more than 3 000 fugitive slaves reach freedom between 1830 and 1860 Until now their stories have remained largely unknown their significance little understood Building on fresh evidence including a detailed record of slave escapes secretly kept by Sydney Howard Gay one of the key organizers in New York Foner elevates the underground railroad from folklore to sweeping history The story is inspiring full of memorable characters making their first appearance on the historical stage and significant the controversy over fugitive slaves inflamed the sectional crisis of the 1850s It eventually took a civil war to destroy American slavery but here at last is the story of the courageous effort to fight slavery by practical abolition person by person family by family

Gateway to Freedom Eric Foner, 2015-02-26 When slavery was a routine part of life in America's South a secret network of activists and escape routes enabled slaves to make their way to freedom in what is now Canada The underground railroad has become part of folklore but one part of the story is only now coming to light In New York a city whose banks business and politics were deeply enmeshed in the slave economy three men played a remarkable part at huge personal risk In *Gateway to Freedom* Pulitzer Prize winning historian Eric Foner tells the story of Sydney Howard Gay an abolitionist newspaper editor Louis Napoleon furniture polisher and Charles B Ray a black minister Between 1830 and 1860 with the secret help of black dockworkers the network led by these three men helped no fewer than 3 000 fugitives to liberty The previously unexamined records compiled by Gay offer a portrait of fugitive slaves who passed through New York City where they originated how they escaped who helped them in both North and South and how they were forwarded to freedom in Canada *Gateway to Freedom* DeWitt Professor of History Eric (Columbia University).

Foner, Eric Foner, 2015-04-15 Author of *The Fiery Trial* winner of the Pulitzer Prize in History the Bancroft Prize and the Lincoln Prize In 1835 the New York Vigilance Committee was organized by free blacks working with white abolitionists to protect blacks from kidnappers and slave catchers on the streets Soon such committees proliferated in the North and began a collaboration known as the underground railroad Until now their stories have remained largely unknown Building on fresh evidence Eric Foner elevates the underground railroad from folklore to history *Gateway To Freedom* Eric Foner, 2015-01-20 The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom More than any other scholar Eric Foner has influenced our understanding of America's history Now making brilliant use of extraordinary evidence the Pulitzer Prize winning historian once again reconfigures the national saga of American slavery and freedom A deeply entrenched institution slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution Slaves could be found in the streets of New York well after abolition traveling with owners doing business with the city's major banks merchants and manufacturers New York was also home to the North's largest free black community making it a magnet for fugitive slaves seeking refuge Slave catchers and gangs of kidnappers roamed the city seizing free blacks often children and sending them south to slavery To protect fugitives and fight kidnappings the city's free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835 In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South Washington and Baltimore through Philadelphia and New York to Albany Syracuse and Canada These networks of antislavery resistance centered on New York City became known as the underground railroad Forced to operate in secrecy by hostile laws courts and politicians the city's underground railroad agents helped more than 3 000 fugitive slaves reach freedom between 1830 and 1860 Until now their stories have remained largely unknown their significance little understood Building on fresh evidence including a detailed record of slave escapes secretly kept by Sydney Howard Gay one of the key organizers in New York Foner elevates the underground railroad from folklore to sweeping history The story is inspiring full of memorable characters making their first appearance on the historical stage and significant the controversy over fugitive slaves inflamed the sectional crisis of the 1850s It eventually took a civil war to destroy American slavery but here at last is the story of the courageous effort to fight slavery by practical abolition person by person family by family

Self-Action Leadership: the Key to Personal & Professional Freedom Jordan R. Jensen, 2015-10-09 Self Action Leadership The Key to Personal Professional Freedom is a groundbreaking personal leadership manual that introduces a metaphysical or self help Theory of Everything In the book Dr Jensen interweaves nearly three decades of personal experiences literature reviews and action research into an original Theory and Model of personal leadership called Self Action Leadership In the narrative sections of his book Dr Jensen describes the life and career challenges he has faced and overcame while struggling to manage obsessive compulsive disorder OCD and depression Self Action Leadership is the most

comprehensive personal leadership handbook to hit the market since Dr Stephen R Covey s 7 Habits of Highly Effective People

Decolonizing and Feminizing Freedom Denise Noble,2017-02-17 This book traces the powerful discourses and embodied practices through which Black Caribbean women have been imagined and produced as subjects of British liberal rule and modern freedom It argues that in seeking to escape liberalism s gendered and racialised governmentalities Black women s everyday self making practices construct decolonising and feminising epistemologies of freedom These in turn repeatedly interrogate the colonial logics of liberalism and Britishness Genealogically structured the book begins with the narratives of freedom and identity presented by Black British Caribbean women It then analyses critical moments of crisis in British racial rule at home and abroad in which gender and Caribbean women figure as points of concern Post war Caribbean immigration to the UK decolonisation of the British Caribbean and the post emancipation reconstruction of the British Caribbean loom large in these considerations In doing all of this the author unravels the colonial legacies that continue to underwrite contemporary British multicultural anxieties This thought provoking work will appeal to students and scholars of social and cultural history politics feminism race and postcoloniality

Freedom for All Janet Palazzo-Craig,2002

Across the Rio to Freedom Rosalie Schwartz,1974 The continual redrawing of the boundaries between the United States Texas and Mexico in the nineteenth century prompted slaves to view the border as a symbol of liberation When the border was first fixed by treaty in 1819 enslaved Texans attached no particular significance to it because slavery was legal in both the United States and Spanish Texas Slaves only began to associate the Mexican state with freedom in the 1820s when national and state governments adopted a series of antislavery measures However because Texas was still part of Mexico the border played no role in slave resistance With the establishment of an independent Texas in the 1830s and with annexation to the United States in 1845 slavery was placed on a firm footing in Texas for the first time The border soon became the focal point of slave flight and resistance Even with the end of slavery black Texans continued to associate Mexico with freedom and equality

Escape to Freedom Aaron Levenstein,1983-05-27 Looks at the causes of mass dislocations of people the hardships they face and the role of the IRC in alleviating those hardships Covers the period of the Hitler years postwar conflicts and hurricanes on every continent
