**The World's Religions** Peter B. Clarke, Peter Beyer, 2009-05-07 This comprehensive volume focuses on the world's religions and the changes they have undergone as they become more global and diverse in form It explores the religions of the world not only in the regions with which they have been historically associated but also looks at the new cultural and religious contexts in which they are developing It considers the role of migration in the spread of religions by examining the issues raised for modern societies by the increasing interaction of different religions The volume also addresses such central questions as the dynamics of religious innovation which is evidenced in the rise and impact of new religious and new spirituality movements in every continent

**Spiritual Transactions** Joseph Ngoma, 2026-03-13 *Spiritual Transactions* How Sexual Sin Opens Doors to Demonic Bondage Why do many people pray yet remain bound Why do cycles of lust broken relationships strange dreams emotional pain and spiritual dryness continue despite faith and effort This book reveals a hidden spiritual reality rarely addressed openly sexual sin is not only physical it is spiritual Every sexual act creates a transaction and every transaction opens a door that affects the soul emotions identity and destiny In *Spiritual Transactions* Joseph Habimana Ngoma exposes how unseen spiritual laws operate through relationships sexuality emotions dreams and ancestral patterns The book explains how soul ties are formed how spiritual covenants are entered unknowingly why prayer weakens after sexual compromise and how generational struggles repeat across families More than revelation this book provides clear spiritual steps toward freedom including repentance breaking unhealthy soul ties restoring identity rebuilding prayer life and walking in lasting purity This

is not a book of condemnation fear or theory It is a call to understanding restoration and spiritual freedom If you have ever sensed that your struggles had deeper roots this book will help you understand why and show you how freedom is possible through Christ

*African Traditions in the Study of Religion in Africa* Dr Afe Adogame, Dr Bolaji Bateye, Professor Ezra Chitando, 2013-06-28 The historiography of African religions and religions in Africa presents a remarkable shift from the study of Africa as Object to Africa as Subject thus translating the subject from obscurity into the global community of the academic study of religion This book presents a unique multidisciplinary exploration of African traditions in the study of religion in Africa and the new African diaspora The book is structured under three main sections Emerging trends in the teaching of African Religions Indigenous Thought and Spirituality and Christianity Hinduism and Islam Contributors drawn from diverse African and global contexts situate current scholarly traditions of the study of African religions within the purview of academic encounter and exchanges with non African scholars and non African contexts African scholars enrich the study of religions from their respective academic and methodological orientations Jacob Kehinde Olupona stands out as a pioneer in the socio scientific interpretation of African indigenous religion and religions in Africa This book is to his honour and marks his immense contribution to an emerging field of study and research
