You'll learn how to create documents and explore workflow best practices while working through practical exercises using the knowledge and skills developed in each chapter to solidify your understanding of the fundamentals. Finally, you'll bring it all together with real-world practical applications by building a fun logo and professional illustration forming a base for in-depth exploration in your own projects. By the end of this Affinity Designer book, you'll have gained the knowledge and confidence to use Affinity Designer as part of your creative toolset. What you will learn: Explore the interface and unique UX characteristics of Affinity Designer. Discover features that allow you to manipulate and transform objects. Apply color shading and effects to create unique compositions. Employ layers to organize and simplify complex projects. Use grids, guides, and snapping features as design aids. Adapt to Affinity Designer's custom workspaces and keyboard shortcuts. Explore the workflow and design best practices for more predictable and successful outcomes. Identify potential stumbling blocks in your design process and learn how to avoid them. Who this book is for: This Affinity Designer book is for graphic designers, artists, illustrators, and hobbyists. Anyone curious about Affinity Designer's unique toolset and vector and pixel workflows or looking for cost-effective alternatives to the Adobe suite will find this book useful. Experience in working with other similar tools will be helpful but not necessary. *Practical Guide to Affinity Designer* Dawid Tuminski, 2020-06-26. If you ever wanted to learn a piece of design software but at the end of the learning process you were left with a thought in your head like "Ok, so what do I do now?" you might have just found a solution to that problem. Because this book will help you in learning Affinity Designer and having something to show for it at the end of the learning process. It was designed to be as practical as possible. Inside, you will find 10 flat icon projects designed and created using solely Affinity Designer. The most important tools and options to get you started with the software as fast as possible. Tens of useful tricks and tips to speed up your design workflow. At the end of the book, you will hopefully be able to use Affinity Designer absolutely independently. We won't be focusing on each and every little aspect about each and every tool in Designer. Instead, you will learn how to look at the tools, how they think, and how to benefit from what they offer. [Affinity Designer 1.8. From Zero to Superhero](#) Dawid Tuminski, 2020-03-28. In this book, you will learn how to use one of the hottest new pieces of vector design software available right now. It will take you from the very basics and expand your knowledge to a level that will allow you to work with Designer independently.
