Many Globalizations Peter L. Berger, Samuel P. Huntington, 2002-06-06 Much discussed but poorly understood globalization is at once praised as the answer to all the world's problems and blamed for everything from pollution to poverty Here Berger and Huntington bring together an array of experts who paint a subtle and richly shaded portrait showing both the power and the unexpected consequences of this great force The stereotypes of globalization characterized as American imperialism on the one hand and as an economic panacea on the other fall apart under close scrutiny Surveying globalization from individual countries of the five major continents *Many Globalizations* shows that an emerging global culture does indeed exist While globalization is American in origin and content the authors point out that it is far from a centrally directed force like classic imperialism They examine the currents that carry this culture from a worldwide class of young professionals to non governmental organizations and define globalization's many variations as well as sub globalizations that bind regions together Analytical incisive and stimulating *Many Globalizations* offers rare insight into perhaps the central issue of modern times one that is changing the West as much

as the developing world Provocative Taken together the trenchant well written essays included in this collection provide indisputable evidence that an identifiable global culture is indeed emerging World Policy Journal Analytical and penetrating belongs on the desks of anyone with an abiding interest in the forces shaping the world Publishers Weekly **The Financial Bulletin** ,1906 **Digest; Review of Reviews Incorporating Literary Digest** ,1918 **The Employee Ownership Report** ,2003 **Business Digest** ,1918 **The Saturday Evening Post** ,1908 **The Office Economist** ,1920 Quest ,1916 *The Quest* George Robert Stow Mead,1916 **Grain World** ,1914 **Municipal Journal and Engineer** ,1907 **The Christian Advocate** ,1916 PC Mag ,1983-07 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **Coast Banker** ,1914 Fourth Estate ,1896 **The New Metropolitan** ,1916
