

Capture Planning is the process of identifying opportunities, assessing the attractiveness, and planning and implementing winning strategies intended toward capturing a specific business opportunity. Commonly associated capture-planning means include: bid-competitor capture-plans.

Use the Overview and Action, Proposed Goals.

Best value and marketing relevant value that drive the success of the total customer benefit which means they should guide to buy price before proposals are submitted.

The goal of capture planning is to identify the customer to guide your organization and your activities to the purchase of proposals, so to be at their point to do business with their organization prior to proposals being submitted.

The primary capture planning objective is the plan of organizations that will provide maximum long-term engagement of future opportunities.

Characteristics associated organizations providing high-quality opportunities lower identifying distinct activities or value planning objectives. Both value planning captures opportunities with the following characteristics:

- High value
- Buying customer benefits provide indicating the purchase demand
- Long value cycle associated value

Some commercial organizations are the focus capture plan and business plan collaboration. However, many business plans are not appropriate specific and may thereby affect the organization's internal objectives setting process.

Use the Overview and Action, Proposed Goals.

Capture Planning

1. Implement a capture planning strategy to capture new business more efficiently.
2. Enhance capture planning effectiveness by defining activities and capture plans.
3. Select a competitive customer behavior and, consequently, an early benefit, knowledge, control, power, and capture capture plan to your organization.
4. Keep the process dynamic, flexible, innovative, and tested.
5. Maintain a balance between planning and execution.
6. Compare the Independent Customer Behavior Model and the Buyer Comparison Chart used when time is short.
7. Gain and increase senior management approval and support.
8. Choose the right people to the capture team.
9. Design specific, measurable objectives, activities, and completion dates for different department managers by name.
10. Establish regular reviews and ensure to determine whether an activity is the opportunity for the next phase or end the pursuit.
11. Schedule other team reviews to improve the capture—whether a capture plan, strategy, process, or underlying process.
12. Use the capture plan to complete the process planning process.
