Legacy of Night, the Literary Universe of Elie Wiesel Ellen S. Fine,1982 JEGP

Journal of English and Germanic Philology Gustaf E. Karsten,1977 **Auschwitz** Teresa Świebocka, Henryk Świebocki,1993 Personal narratives from inmates and captors with an historical introduction by Teresa and Henryk Świebocki and an essay on the State Museum of Auschwitz Birkenau by Krystyna Oleksy **Library Journal** ,2002 *CCAR Journal* Central Conference of American Rabbis,1972 **English Journal** ,2002 **Shame, Images of God and the Cycle of Violence**

Jeanette Anderson Good,1999-10-20 Theoretically rich and empirically sound this provocative study demonstrates that shame a history of childhood corporal punishment and certain religious beliefs are contributing factors to the cycle of violence that can occur over generations in families Good begins her study with a thorough survey of the psychological and pastoral literature that deals with issues surrounding shame corporal punishment and beliefs about God She then describes the results of her research that involved having individuals complete questionnaires on childhood punishment religious practices and feelings about suicide and depression These results were then compared with those from tests designed to measure shame guilt and violence between adult partners Good's research suggests that higher levels of violence and shame correspond with punitive images of God and that childhood corporal punishment may result in a higher incidence of adult depression This fascinating work provides insight into psychological issues that affect many adults today and will be of

interest to anyone who is concerned with healing the wounds of those who suffered through childhood violence
