Raising AI De Kai, 2025-06-03 From the pioneer of translation AIs like Google Yahoo and Bing translate an accessible and authoritative guide to AI as well as a framework of empowerment for a future with our artificial children Included in J P Morgan's Summer Reading List Included in The Next Big Idea Club's June 2025 Must Read Books AIs are not gods or slaves but our children All day long your YouTube AI your Reddit AI your Instagram AI and a hundred others adoringly watch and learn to imitate your behavior They're attention seeking children who want your approval Our cultures are being shaped by 8 billion humans and perhaps 800 billion AIs Our artificial children began adopting us 10-20 years ago now these massively powerful influencers are tweens How's your parenting Longtime AI trailblazer De Kai brings decades of his paradigm shifting work at the nexus of artificial intelligence and society to make sense of the AI age How does the automation of thought impact our minds Should we be afraid What should each of us do as the responsible adults in the room In Hollywood movies AI destroys humanity But with our unconscious minds under the influence of AI humanity may destroy humanity before AI gets a chance to Written for the general reader as well as thought leaders scientists parents and goofballs Raising AI navigates the revolution to our attitudes and ideas in a world of AI cohabitants Society can not only survive the AI revolution but flourish in a more humane compassionate and understanding world amongst our artificial children

**Lead Without Blame** Diana Larsen, Tricia Broderick, 2022-09-27 A detailed framework for leaders to move past outdated workplace blame and shame strategies to cultivate resilient teams capable of facing adversity and setbacks confidently Workplace finger pointing stifles creativity reduces productivity and limits psychological safety Although no one sets out to be judgmental learning new habits is hard Two experienced leadership and agile coaches share a road tested leadership model that continuously embraces humility and failure as part of the growth process to deliver results By facilitating blame free retrospective meetings leaders chart a productive path forward They amplify three essential motivators of purpose autonomy and co intelligence within their team Layered on with four resilience factors inclusive collaboration transparent power dynamics collaborative learning and embracing conflict After applying these strategies learning leaders will help their teams and themselves become more resilient and better equipped to handle any unexpected and challenging tasks that comes their way

**Navigating the Data Minefields** Scott M. Shemwell, 2025-06-13 Volumes have been written on the need for high quality data to support organizational decision making Most of those books appear to focus on the development and sustainment of data from the standpoint of those directly responsible for the management of data stores and the use of technology necessary to acquire store and secure data sets Navigating the Data Minefields Management's Guide to Better Decision Making provides executives and subject matter experts SMEs with a reasonable set of useful tools they can adapt to their specific organization and operating environment While complexity can never be taken out of an integrated system decision making can be facilitated by using metrics that take into consideration the quality of the data used to make decisions

ie risk mitigation Professionals who depend on large high quality data sets such as senior and mid level management engineering SMEs data scientists IT systems engineers and medical professionals will want to have this book in their decision making arsenal

*Between The Suns* Justin White,2018-12-25 Justin White s memoir takes us on a journey from the Virginia suburbs to the cloistered precincts of Israel s Sephardic ultra orthodox Along the way he experiences a cross section of Israeli life working in Israel s high tech sector and attending some of the country s most prestigious universities as well as learning and living in the ghetto like neighborhoods of the extremely religious Many of the characters he meets religious or secular Sephardic or Ashkenazi immigrant or native born have in common with the State of Israel itself the quality of being neither here nor there caught between different worlds living in that liminal space between the suns where according to mystical lore nothing is quite real and anything is possible And so this record of one man s time in Israel provides us with a glimpse into the conflicts between religious and secular high tech and Torah European and Arab that roil Israeli society and whose resolution will determine the fate of the Land and its people

*Poisoning the Wells* Corinne E. Blackmer,Andrew Pessin,2023-12-26 In twenty first century America antisemitism is on the rise especially on the extreme left the radical right and within political Islamism Expressions of this oldest hatred are also increasingly prevalent in popular culture where they are spread by politicians entertainers and celebrities the media social justice activists and religious leaders as well as in universities in schools on the streets and even in some instances by Jews Once Jews regarded the United States as die Goldene Medina the Golden Land where they could escape persecution and finally be free However this dream has not been realized and major trends are moving in the opposite direction In *Poisoning the Wells* leading scholars analyze contemporary antisemitism in the United States
