**Migration in Southern Africa** Pragna Rugunanan, Nomkhosi Xulu-Gama, 2022-05-30 This open access Regional Reader proposes new ways of theorizing migration in Southern Africa by arguing that traditional western forms of theorizing do not adequately fit the South South migration context It explores the existing definitions of a migrant with a view to conceptualise a definition which will speak to the complexities envisioning a more inclusive Southern African region The book investigates the various levels of migration moving from the local rural to urban and urban to rural to cross border migration middle class versus working class migrant household livelihoods livelihoods procurement versus wage earning social capital networks and how they make meaning of their circumstances in a foreign space It also acknowledges the intertwined issues of gender and class as important in analyzing migration processes and the chapters feature both in varying dimensions As such the book provides a great resource for students academics and policy makers

**Prospects for Regional Integration in Africa** Andreas Freytag, Abena D. Oduro, African integration has had a long history dating back to the end of colonization in the 1960s It has generated enormous interest in recent years not least because the continent has recently taken some bold steps to integrate further such as the Tripartite Free Trade Area or the creation of the African Continental Free Trade Area AfCFTA With this book we offer an innovative perspective on African integration By inviting mostly young African scholars from different disciplines in the social sciences and humanities we make African voices audible and start a discussion of the African integration efforts from an African perspective using novel criteria to judge different African integration attempts In addition to the younger generation s representatives we also invited scholars from Europe and Latin America to bring other continents perspectives to the fore

Duramazwi Desmond Dale, 1981 The companion volume to A Basic English Shona Dictionary is now widely available for the first time outside Africa It contains some 6 000 main entries and an additional 700 words derived or borrowed from other languages For each entry definitions in Shona and English translations are given Some introduction on the structure of the Shona language is provided

Annales aequatoria , 2001 Research on the culture history and languages of Zaire
