He and I Gabrielle Bossis,2019-02-05 In this timeless spiritual classic readers share in the profound and touching experience of Gabrielle Bossis a French nurse and playwright as she hears the inner voice of Jesus in the core of her being Recorded in her diary from 1936 to 1950 their tender exchanges capture Jesus s enduring presence in our daily lives his insistence on serving others with kindness and his encompassing love for humanity and show that ordinary men women and children can experience an intimacy with Christ *Trust in the Future* Bastiaan Baan,2024-10-22 This inspiring book by esteemed thinker Bastiaan Baan explores how we can cope with an uncertain future In this thought provoking book Baan explores the many ways in which humanity has tried to predict the future through the ages from old forms of clairvoyance to more modern methods based on technical expertise He looks at ancient mythologies the visionary practices of prophets and shamans and the sublime if often terrifying images found in the Book of Revelation Drawing on the work of Rudolf Steiner he attempts to interpret their imaginative language and identify the impulses at work in present day humanity Baan goes on to argue that while predicting the future may be impossible how we view events can be just as important if not more so than the events themselves He suggests that adopting a more positive and open attitude can be a necessary first step in taking action *Trust in the Future* will speak to all those who ask themselves What can I do to build a better future An Inquiry Into the Existence of Guardian Angels Pierre Jovanovic,1997-07-29 When Pierre Jovanovic was a reporter for Quotidien de Paris he had just finished an interview and was driving home on a Silicon Valley freeway when he was suddenly hurled to the side of the car by a mysterious force Seconds later a bullet crashed through the windshield and buried itself in the back of the passenger s seat Highway patrolmen told him that if he hadn t moved he would have been killed instantly Shaken and curious he began to compare notes with other journalists many of whom were war zone survivors Most had had some kind of comparable experience of being snatched from death by an unseen hand Pierre began to interview authorities on near death experience Melvin Morse Kenneth Ring and Elisabeth Kubler Ross He collected first hand accounts of the appearance of spiritual beings from adults and children all over the world Voraciously he began to read about the lives and Angelic accounts of the saints The book is the sum of his investigations and includes eyewitness accounts of the experiences of pilots doctors and journalists interviews with leading near death researchers and scientists interviews with modern saints and visionaries on their mystical experiences from the Middle Ages to the present BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **KINGDOMS OF DESIRE** George Zamalea,2025-10-17 When Gysbert van Laan was five he lost her mother in a mysterious way and when he was seven his only custodian Laura Charlesbourg a landowner and with the promises to see him again left to England as an unwanted married woman and when he was eight he was sold him as a slave Five months after the sale with the help of a Dutch African father an elite set out to rescue him from a brutal Virginian plantation owner and the African land made him home in time to understand who he is and a history of exploration

and self esteem has begun It s the year 1806 van Laan s father is among the wealthy elite who can afford to give to his only biological son a sort of paramount superiority to meet in person George III the King of Great Britain and Ireland a paralleled audience by confirming himself as equal at birth So this new Gysbert van Laan has the same power as equal to the title of Magnus Dux The same privilege to ride side by side with Napoleon Bonaparte of France and to sit at the table of alliances That same perfect stage makes him as charm as devious to find who had plotted the death of his mother the power hungry and pain behind Laura s destiny and what happens really to the land of Charlesbourg before and after her marriage with ambitious British born Martin Longfellow and most importantly the fraudulent manipulation of his father Leading a selective group around the world who will die for him and who will do everything he asks them to do Magnus Dux de Laan in mind uploading plans and punishes even has all the same memories as a military soldier like his grandfather has no mercy as when it comes to justice He also might have brought down his father s brother the most hater in the list Or at least that s what the gold digging controller and the artful protestors want everyone to think that a young man like van Laan is an unprepared unpredictable radical who won t be capable of discovering the truth Gysbert van Laan is used to hearing all that though He s used to standing up for his mind too and he s determined to do it now even if proving Laura s innocence means taking on those protestors and anyone else who has attacked his family But when his own life is threatened not by protestors but by the very Mother s shadow who created his psychotic way of quest Gysbert van Laan starts questioning everything he thought he knew about the true nature of his existence About himself About his father And the answers he finds reveal a more sinister purpose for his mother s and father s death and her own destiny than he ever could have imagined With Love George Zamalea California USA *Spirituality for Extroverts* Nancy Reeves,2010-10-01 Does prayer have to be silent Does meditation have to be solemn If I m an extrovert can I worship God In this groundbreaking book psychologist and spiritual adviser Nancy Reeves presents a refreshing view of spirituality that goes beyond personality to provide extroverts and those who love them with exciting new ways of approaching God Reeves explores a wide variety of spiritual practices for extroverts including Praying in motion Singing Cultivating spiritual friendships Practicing spirituality in groups In the end she urges all of us extrovert and introvert alike to seek a mature spirituality that embraces all the aspects of our personalities Includes questions for reflection and discussion Perfect for book clubs discussion groups and bible study classes For some reason we think of quiet introverted people as the very name of holiness This cannot be true and Nancy Reeves shows us why Richard Rohr author of *Things Hidden Scripture as Spirituality* I ve been waiting a long time to read a book like this Nancy Reeves provides much needed insight and guidance Joyce Rupp author of *Fresh Bread And Other Gifts of Spiritual Nourishment* As an introvert I found Reeves perspectives eye opening and enormously helpful They will change the way I interact with the extroverts in my life This book should be required reading for anyone offering spiritual guidance Marjorie J Thompson author of *Soul Feast An Invitation to the Christian Spiritual Life* Nancy Reeves is a clinical psychologist spiritual director poet and
