**The Dream Team Nightmare** Portia Tung,2013-11-08 This first ever interactive Agile Adventure is the gripping tale of

an experienced team struggling with agile adoption In this unique mashup of a business novel written in the gamebook format you ll overcome common yet daunting challenges that come from using agile methods As Jim the agile coach you ll learn to apply a range of thinking tools and techniques to real life problems faced by teams and organizations Find out what really works and what fails miserably from the consequences of your choices And unlike in the real world if at first you don t succeed you can make different choices until you get things right Management is ready to disband your new agile team and outsource your project Can you save The Dream Team The Dream Team started their journey 18 months ago Since then life has become a nightmare Progress has ground to a halt Morale is low Quality has become taboo You have five days to figure out how to get the team back on track There will be conflict and maybe tears One thing is for sure there will be plenty of tough decisions to make Inspired by a classic gamebook series this fun and interactive story has eight different endings designed to enrich and put your agile development knowledge and experience to the test Packed with familiar scenarios an agile team faces every day The Dream Team Nightmare offers you the chance to see what would happen if you could do things differently so you can change the way you do things for real with confidence Combining practical team building exercises with effective facilitation and Systems Thinking by the end of the book you ll be ready to rescue projects in trouble and get new projects off to a better start Personal Kanban Jim Benson,Tonianne DeMaria Barry,2011 Productivity books focus on doing more Jim and Tonianne want you to focus on doing better Personal Kanban takes the same Lean principles from manufacturing that led the Japanese auto industry to become a global leader in quality and applies them to individual and team work Personal Kanban asks only that we visualize our work and limit our work in progress Back cover

**Meditations for Mortals** Oliver Burkeman,2025-12-23 NATIONAL BESTSELLER A GOODREADS CHOICE AWARD NOMINEE FOR READERS FAVORITE NON FICTION Rehab for burned out high achievers The Guardian How would life open up if we stopped treating it as a problem to be solved Addressing the fundamental questions about how to live Meditations for Mortals offers a powerful new way to take action on what counts a guiding philosophy of life Oliver Burkeman calls imperfectionism It helps us tackle challenges as they crop up in our daily lives our finite time the lure of distraction the impossibility of doing anything perfectly How can we embrace our non negotiable limitations Or make good decisions when there s always too much to do How do we shed the illusion that life will really begin as soon as we can get on top of everything Reflecting on quotations drawn from philosophy religion literature psychology and self help Burkeman explores a combination of practical tools and daily shifts in perspective The result is a life enhancing and surprising challenge to much familiar advice and a profound yet entertaining crash course in living more fully A map for a liberating journey toward a more meaningful life a journey that begins where we actually find ourselves not with a fantasy of where we d like to be from the New York Times bestselling author of Four Thousand Weeks *Manage Your Job Search* Johanna Rothman,2015-08-13 A job search is an emergent project How do you handle an emergent project By creating a system that allows for serendipity and

flexibility personal kanban and one week timeboxes Once you have a system you can use the tips in Part 2 to prepare for your job search choose your career write your resume prepare for your interviews and decide how you will decide on an offer In Part 3 you ll learn how to network without feeling slimy You ll learn to build your target network where to look for the jobs that you need and how to spot the warning signs of a job that organizations might no longer need There are many traps for unsuspecting job hunters so Part 4 has a section on traps to avoid and tips to try If you re in special circumstances such as being a new grad in a career transition or over 50 then Part 5 is for you Even if you ve been diligent any job search can take more than three months Part 6 addresses your feelings and how to persevere when your search seems as if it takes forever Written with her trademark practicality humor and empathy Johanna will help you learn how to find your next job This book was written and produced entirely by the author We are proud to be distributing it *Four Thousand Weeks* Oliver Burkeman,2021-08-10 AN INSTANT NEW YORK TIMES BESTSELLER Provocative and appealing well worth your extremely limited time Barbara Spindel The Wall Street Journal The average human lifespan is absurdly insultingly brief Assuming you live to be eighty you have just over four thousand weeks Nobody needs telling there isn t enough time We re obsessed with our lengthening to do lists our overfilled inboxes work life balance and the ceaseless battle against distraction and we re deluged with advice on becoming more productive and efficient and life hacks to optimize our days But such techniques often end up making things worse The sense of anxious hurry grows more intense and still the most meaningful parts of life seem to lie just beyond the horizon Still we rarely make the connection between our daily struggles with time and the ultimate time management problem the challenge of how best to use our four thousand weeks Drawing on the insights of both ancient and contemporary philosophers psychologists and spiritual teachers Oliver Burkeman delivers an entertaining humorous practical and ultimately profound guide to time and time management Rejecting the futile modern fixation on getting everything done *Four Thousand Weeks* introduces readers to tools for constructing a meaningful life by embracing finitude showing how many of the unhelpful ways we ve come to think about time aren t inescapable unchanging truths but choices we ve made as individuals and as a society and that we could do things differently **Why Limit Wip** Jim Benson,2014-06-01 Personal Kanban transformed how we think about our own personal productivity *Why Limit Your WIP* will transform how organizations and teams think about and manage their work The tale in this book will hurt because you ll have undoubtedly lived with the consequences of people being stretched too thin work constantly blocked or in queue projects chronically late and people getting burned out Gene Kim author of *The Phoenix Project* from the Foreword We are distracted We are overburdened We are unfocused Our work suffers for this Our companies suffer for this We snatch failure from the jaws of success Limiting WIP is the breakthrough strategy for starting less and completing more Written by Jim Benson author of the Shingo Research Award winning *Personal Kanban* urban planner software developer and business owner who has planned and built everything from small software projects to houses to urban freeway systems *Why Limit WP* is told by

someone who has watched many projects be born run into problems and ultimately fail due to overburden This short work is the third in the Modus Cooperandi MemeMachine series which looks specifically at underlying issues that directly impact the success of teams companies and individuals The MemeMachine series is meant to start conversations and advance discussion
