Extensive Reading in the Second Language Classroom Richard R. Day,Julian Bamford,1998-01-13 This comprehensive examination of extensive reading shows how reading large quantities of books and other materials can provide students with essential practice in learning to read and help them develop a positive attitude towards reading which is sometimes missed in second language classes The authors first examine the cognitive and affective nature of reading and then offer a wealth of practical advice for implementing extensive reading with second language learners Suggestions are provided for integrating extensive reading into the curriculum establishing a library selecting reading materials and keeping records for purposes of evaluation The text also describes a wide variety of classroom activities to supplement individualized silent reading The information will be useful both for pre service teachers and for teachers and administrators who want to improve the teaching of reading in their second language programs **Death in the Freezer Level 2 Oxford Bookworms Library** Tim Vicary,2012-02-10 A level 2 Oxford Bookworms Library graded readers Written for Learners of English by Tim Vicary Ellen Shore s family is an ordinary American family and Ellen is six years old when her brother Al is born Her parents are very pleased to have a son but Ellen is not pleased because now baby Al comes first And when they are adults Al still comes first He begins a rock band and makes records Soon he is rich and famous very rich but he gives nothing to his sister
