demons collaborated instead of fighting to search for the nectar of immortality Many precious things and surprises came out this quest including Lakshmi the goddess of wealth and consort of Vishnu We also get to know a critical insight into our ancestry According to Hinduism we are all related and descendants of Manu the father of human race While this book focuses on Brahma and Vishnu there will be occasional detours when we pause to look at art and architecture In particular we ll look at Angkor Wat the largest Hindu temple in the world Guess what The fact that Angkor Wat is located outside India has dented Hindu pride from time immemorial We ll also peek at ancient paintings from a mythological perspective especially the unique genre of miniature paintings called ragamala that combines art music and poetry A remarkable shift in worship took place during this period Bhakti became a major form of worship and pervaded Hindu society forever If you are unfamiliar with bhakti then nothing exemplifies bhakti devotion more than the dancing and chanting Hare Krishnas

The writer trusts that these pages may encourage and strengthen the faith of God s elect in that almighty Power which even in the idolatrous and conservative East is so manifestly subduing all things unto Himself Here may be discerned the dawn of that day so long foretold when all Oriental races shall be blessed in a Redeemer who was himself Asiatic by birth and blood and the sphere of His personal ministry whose cross was erected on that continent and whose first ministers and members were taken from among that people The writer has not concealed his conviction that human history and the movements and changes of thrones and powers and kingdoms can be fully understood only in the light of the doctrine of the Second Psalm Jesus Christ the divine and eternal Son of God who created and redeemed this world is its Master and Lord Preface
