Capitalist Nigger Book :

Capitalist Nigger Chika Onyeani, 2012-03-27 *Capitalist Nigger* is an explosive and jarring indictment of the black race. The book asserts that the Negroid race as naturally endowed as any other is culpably a non-productive race, a consumer race that depends on other communities for its culture, its language, its feeding, and its clothing. Despite enormous natural resources, blacks are economic slaves because they lack the devil-may-care attitude and the killer instinct of the Caucasian, as well as the spider web mentality of the Asian. A *Capitalist Nigger* must embody ruthlessness in pursuit of excellence in his drive towards achieving the goal of becoming an economic warrior. In putting forward the idea of the *Capitalist Nigger*, Chika Onyeani charts a road to success whereby black economic warriors employ the Spider Web Doctrine, discipline, self-reliance, ruthlessness to escape from their victim mentality. Born in Nigeria, Chika Onyeani is a journalist, editor, and former diplomat.

Capitalist Nigger Chika Onyeani, 2025-11-02 Provocative, daring, acerbic but truthful *Capitalist Nigger* exposes the endemic frailties that debilitate and dehumanize the Black race into dependency, complacency, low esteem, and inaction, as if these were divinely ordained. Onyeani's tirade is angry but affectionate; it is a tongue-lashing but genuinely concerned about the fate of his race. As usual in life, this kind of truth scathes the ears. After all, charity begins at home with one's own race. Dr. Michael C. Malherbe, Professor Chair, Africana Studies, Humanities Department, Hostos Community College of the City of New York. This is a book of passionate outrage and collective self-reproach. The beginning of self-reform is self-criticism. This author manifests a combination of anguish, anger, and patriotism. Ali A. Mazrui, D. Phil. Oxon, Albert Schweitzer Professor in the Humanities, Director of Global Cultural Studies, Binghamton University. *Capitalist Nigger* excels as an explosive and jarring indictment of the Black race. The book asserts that the Negroid race as naturally endowed as any other is culpably a non-productive race. The Black race is a consumer race and depends on other communities for its culture, its language, its feeding, and its clothing. Despite enormous natural resources, Blacks are economic slaves because they lack the devil-may-care attitude and killer instinct of the Caucasian, as well as the spider web mentality of the Asian. *Capitalist Nigger* contends that only as Economic Warriors employing the Spider Web Economic Doctrine can the Black race escape from their victim mentality. **Capitalist Nigger**
