Volume Two Dr. Muhammad Hussein Noure Elahi, 2016-04-27 This textbook should be viewed as a guidebook rather than a
comprehensive reference on all things about classroom administration Although all of the guidelines are research supported
the goal of this textbook is to provide teachers with a practical accessible and engaging reference rather than an exhaustive
compendium of classroom administration models and detailed rationales for why certain approaches are highlighted and
others are not Frankly the models tips and guidelines presented in this textbook were selected because of their proven
effectiveness in my own classroom or in the classrooms of those with whom I ve worked or been Classroom administration is
a demanding and critical component of education so my focus is to get you to the core of what works This textbook has been
offered to you at best because the information contained is result of the accomplishments and failures of so many teachers
and no one person can lay claim to all of the knowledge and expertise you ll find in this textbook Think of this textbook as the
teacher next door who is always willing to give you advice and some good ideas for managing your class Godspeed on your
journey and focus always on the impact you are making on the young people who have been left in your charge
