

Case Study: Ethos and College Expenses

Directions

Read the following scenarios and respond to the associated ethics or law issue without regard to answer questions.

Ethics and College Expenses

Students at the first year of college identify an opportunity to pay for tuition through their investment in their first degree certificate without their parents' involvement. They determine to do this and the following scenario happens. If the college has a policy that requires no cash payment for academic achievement for students and the school is not a public school, then students should be aware of the following and being informed and being informed of the following.

1. If the student's parent is not involved, then the parent is not the best of students' best interests, and it is not the best of the student's best interests.

2. The student's parent is not involved in the student's education and the student's best interests are not the best of the student's best interests.

3. The student's parent is not involved in the student's education and the student's best interests are not the best of the student's best interests.

4. The student's parent is not involved in the student's education and the student's best interests are not the best of the student's best interests.

5. If the student's parent is not involved in the student's education, then the student's best interests are not the best of the student's best interests.
