

Computer Architecture & Organization Assignment

Calculations without comments will cost marks.

In the assigned questions, all formulas, computations, and appropriate units must be shown (to be accepted).

Notes

For other questions below, assume that p is the last digit of your university ID and q is the second last digit (e.g., for ID 1234567890, $p=9$ and $q=8$).

You must submit for this question a hard copy stamped with the date and time you will be submitting it to the assignment desk in class.

Late submissions of assignments will be penalized. The pen-ultimate day that you may submit is the day immediately after the submission deadline has expired.

Please name your file as your ID, CS331, part and have your university ID shown on the first page, the last page of the assignment as your first page and provide your name's below each question.

Only typed documents are accepted (it will be read). The handwritten part is accepted.

Plagiarism Rules

These rules apply to all your CS331 work:

- Essays will be checked for the University's plagiarism/detection software for plagiarism from any source, e.g., essays of other students, textbooks, journals, etc., in addition to using the Internet software.
- Plagiarism (copying) from all books, assigned books, or other resources.
- Any reference lists from any books/journals/etc. should be properly cited.
- Any examples of software hardware should be with credit to the original author of all papers & software/translation of copying.
