**Indian Banking in the Globalised World** R. K. Uppal, 2008 ABOUT THE BOOK Banking sector reforms in India are aimed at induction of best international practices and technological changes for competing globally The Reserve Bank of India RBI has time and again emphasised transparency diversification of ownership and strong corporate governance to mitigate the prospects of systemic risks in the banking sector Banking sector reforms have supported the transition of the Indian economy to a higher growth path while significantly improving the stability of the financial system In comparison with the pre reform period the Indian banking system today is more stable and efficient However the gains of the past decade

need to be consolidated so that these could be translated to drive the institutions markets and practices into a mature financial system that can meet the challenges of globalisation The banking system would therefore not only need to be stable but also supportive of still higher levels of planned investments by channelling financial resources more efficiently from surplus to deficit sectors Competitive pressures as well as prudential regulatory requirements have made banks risk averse as reflected in their tendency to investment in relatively risk free gilt instruments The behaviour and strategies of banking business need changes in favour of risk taking even while performing core activities Also there is a need to ensure long term finance to support development and growth in the economy even as restructuring takes place through mergers and universal banking The present book addresses issues like Basel II Accord guidelines second generation banking sector reforms cost benefit and productivity analysis of Indian banks danger zone banks privatisation and comparative efficiency of Indian banks and the recent reform measures Vital statistics regarding the Indian banking sector and the recent Annual Policy Statement 2008 09 of the RBI has also been discussed About the author Dr R K Uppal did his M A in economics from Punjabi University Patiala in 1986 Thereafter he obtained M Phil degree from MDU Rohtak in 1987 and Ph D degree from Punjabi University Patiala in 2003 Specialising in banking and finance Dr Uppal has 11 books to his credit and has published 40 research papers on the subject in reputed national and international journals He has also presented more than 35 research papers in national and international conferences in Hawaii Indonesia Finland Costa Rica Australia London and the UK Presently he is head of the Department of Economics DAV College Malout Punjab and Principal Investigator of a UGC financed research project on Indian banking He is also Director of an ICSSR sponsored major research project on Indian banking *Ago-Iwoye Journal of Social and Behavioural Sciences* ,2005 **The Journal of Social Transformation** ,2005 *Southern Economist* ,2009

**Internationalizing the Internet** Byung-Keun Kim,2005 This compelling book focuses on the global formation of the Internet system It contests the common belief that the Internet s adoption was inevitable and instead examines the social and economic processes that allowed it to prevail over competing standards and methods for achieving a global information infrastructure The author demonstrates how the current Internet system was not the only possible choice nor the best data network in terms of technological and economic performance It is therefore vital he argues to understand the way in which different political and economic interests have helped shaped the Internet and allowed it to overcome rival technologies Issues of particular importance include the role of negotiations among different social groups in the design of the Internet as well as the influence of US promotion The author also examines patterns of growth and pervasiveness of the Internet between different regions and countries providing new evidence on the factors influencing the extent of the digital divide Using econometric models he goes on to identify the features of the co evolution of the Internet and other sub systems within countries and highlights the most interesting features of their local and global interplay Researchers and academics involved with science and technology policy industrial and corporate change and the information society will welcome this insightful

original and highly pertinent book It will also be of value for anyone with an interest in how the backbone of the digital economy was formed *The Humanities and Globalization* Awam David Menegbe, 2005

The Top Books of the Year Concept Of Liberalization Privatization And Globalization The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Concept Of Liberalization Privatization And Globalization : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
