HPSC PGT (History) Exam Book PDF Chandresh Agrawal, Nandini Books, 2026-02-21 SGN The HPSC PGT Exam PDF Haryana PGT History Exam History Subject Practice Sets eBook Covers Objective Questions With Answers **PGT History Exam PDF-History Subject Practice Sets With Answers eBook** Chandresh Agrawal, Nandini Books, 2026-02-22 SGN The PGT History Exam PDF History Subject Practice Sets With Answers eBook Covers Objective Questions With Answers The Conquest of Abyssinia Shihāb al-Dīn Aḥmad ibn ‘Abd al-Qādir ‘Arabfaḳīh, Richard Pankhurst, 2003 Sihab ad Din Ahmad bin Abd al Qader s account of the early sixteenth century Jihad or holywar in Ethiopia of Imam Ahmad bin Ibrahim better known as Ahmad Gran or the Left handed is an historical classic The Yamani author was an eyewitness of several of the battles he describes and is an invaluable source His book which is full of human and at times tragic drama makes a major contribution to our knowledge of a crucially important period in the hisoty of Ethiopia and Horn of Africa Futuh al Habasa or Conquest of Abyssinia which undoubtedly reflects the situation as it seemed to its Yamani author at the time of its composition The forces of Imam Ahmad bin Ibrahim had occupied the greater part of Ethiopia The resistance of Emperor Lebna Dengel had virtually come to an end and many Christians had chosen to convert to Islam The victorious Imam s regime seemed there to stay This was however far from the end of the story The Imam was killed in battle on February 21 1543 whereupon his army almost immediately disintegrated Those of his soldiers who could do so made their way back to the East Not a few Muslim converts reverted to their former faith The Futuh thus refers to a relatively short though crucially important period in Ethiopia s long history The book is nevertheless valuable in that its author was an eye witness of many of the events he describes and writes as far as we can judge with a degree of objectivity rare for his time What people say about this book This book is the first ever complete English translation of the Arabic account on the campaigns of Imam Ahmad b Ibrahim al Ghazi popularly known as Gran as written by the Yemeni jurist Shihab al din Ahmad b Abd al Qadir b Salim b Uthman also known as Arab Faqih it is a welcome addition to the rich corpus of Arabic literary and historical sources relevant to the sixteenth century Ethiopia and the Horn It is particularly useful for English speaking researchers and established scholars who cannot read either the Arabic text or the authoritative French translation prepared by Rene Basset both Stenhouse and Pankhurst and the publisher deserve high commendation respectively for producing such a valuable work that represents a major contribution to the history of Ethiopia and the Horn and for making it available to the wider English speaking readership and scholarship Hussein Ahmed is a Professor of History at Addis Ababa University He is a leading historian of Islam in Ethiopia In the history of conflict in Africa and beyond few stories of drama and human tragedy equal Imama Ahmad s conquest of the Christian kingdom of Ethiopia 1529 1543 His short lived spectacular victories and determination to replace Christianity by Islam and the remarkable survival of Christianity in Ethiopia is a story of epic proportions which still generates strong emotion among both the Christian and the Muslim population of Ethiopia In other words Imam Ahmad s jihadic war besides

being legendary was a major turning point This is truly a wonderful work which is destined to remain an indispensable source for the history of Ethiopia and the Horn of Africa during the first half of the tumultuous sixteenth century Anyone interested in understanding the intensity and brutality of religious war will be rewarded by reading this classic Mohammed Hassen is an Associate Professor of African history at Georgia State University in Atlanta He is the author of *The Oromo of Ethiopia A History 1570 1860*

The Process of International Legal Reproduction Rose Parfitt,2019-01-17 That all states are free and equal under international law is axiomatic to the discipline Yet even a brief look at the dynamics of the international order calls that axiom into question Mobilising fresh archival research and drawing on a tradition of unorthodox Marxist and anti colonial scholarship Rose Parfitt develops a new modular legal historiography to make sense of the paradoxical relationship between sovereign equality and inequality Juxtaposing a series of seemingly unrelated histories against one another including a radical re examination of the canonical story of Fascist Italy s invasion of Ethiopia Parfitt exposes the conditional nature of the process through which international law creates and disciplines new states and their subjects The result is a powerful critique of international law s role in establishing and perpetuating inequalities of wealth power and pleasure accompanied by a call to attend more closely to the strategies of resistance that are generated in that process

The Miracles of Jesus. pdf Michael Wornlocker,2025-12-22 Jesus is remembered as someone whose life radiated purity humility and mercy He moved among people without pride and without distance He was not harsh in speech nor did he seek status applause or advantage His presence carried calm dignity he listened carefully spoke with measured clarity and treated the weak and overlooked as worthy of honor He did not break people with words he repaired them When correction was needed it was delivered with sincerity and restraint not to shame but to guide His communication was marked by wisdom and compassion He spoke in a way that reached the heart not just the mind He used plain language when plain language was needed and he addressed deeper questions when deeper minds asked He met people where they were the anxious the grieving the sick the confused the hopeful He made space for repentance without humiliation and for renewal without despair In his dealings mercy was not a slogan it was a consistent practice He helped people materially when he could comforted them emotionally and directed them spiritually toward reliance on God reminding them that real healing and real provision ultimately come by God s will
