Perrine Literature 11th Edition:

Perrine's Literature Thomas R. Arp, Greg Johnson, 2012 An authoritative bestseller for over fifty years PERRINE'S LITERATURE STRUCTURE SOUND AND SENSE continues to be an essential and highly effective introduction to literature for today's students. Written for students beginning a serious study of literature, the text introduces the fundamental elements of fiction, poetry, and drama in a concise and engaging way, addressing vital questions that other texts tend to ignore, such as: Is some literature better, and how can it be evaluated? A remarkable selection of classic, modern, and contemporary readings serves to illustrate the elements of literature and ensure broad appeal to students of diverse backgrounds and interests. Now thoroughly updated with nearly 80 new stories, poems, and plays by some of the finest authors of any era, the eleventh edition remains true to Perrine's original vision while addressing the needs of a new generation of students.

Grammar And Style At Your Fingertips Lara M. Robbins, 2007-07-03 Knowing the rules of grammar never goes out of style. Now readers can brush up on their writing skills with just one book. This guide covers the gamut of grammar and style topics, including nouns and pronouns, tense, mood, and voice as expressed through verbs, subject and verb agreement in complete sentences, commas, colons, and semicolons, ellipses, and other marks, parentheses and brackets, capitalization, numbers, and signs, spelling, abbreviations, and much more. Ideal for both native speakers and those learning English as a second language. Encyclopedic approach. Features thumbtaps and other navigation aids.

Bilingual Learners and Social Equity Ruth Harman, 2017-08-13 This volume explores how educators conceptualized and implemented critical approaches to systemic functional linguistics that support bilingual students in appropriating and challenging dominant knowledge domains in K-16 contexts. The researchers exhibit a shared commitment to enacting a culturally sustaining SFL praxis that validates multilingual meaning-making, pushes against social inequity, and fosters creative re-mixing of available semiotic resources. It should prove a valuable resource for students, teachers, and researchers interested in applied linguistics, education, and critical theory.
