

The background of the cover is a dark, almost black, field filled with a complex network of thin, glowing lines in shades of blue and green. These lines radiate from various points, creating a sense of depth and movement. Interspersed among these lines are numerous small, bright dots, some in the same colors as the lines and others in white or light blue. The overall effect is reminiscent of a star map, a particle detector, or a network diagram, evoking themes of physics and exploration.
