Monkey Grip Helen Garner:

Monkey Grip Helen Garner, 2018-10-29 Helen Garner's gritty lyrical first novel divided the critics on its publication in 1977 Today Monkey Grip is regarded as a masterpiece the novel that shines a light on a time and a place and a way of living never before presented in Australian literature communal households music friendships children love drugs and sex When Nora falls in love with Javo she is caught in the web of his addiction and as he moves between loving her and leaving between his need for her and promises broken Nora's life becomes an intense dance of loving and trying to let go Helen Garner is one of Australia's finest authors In 2006 she received the inaugural Melbourne Prize for Literature and in 2016 she won the prestigious Windham Campbell Prize for non fiction Her novels include Monkey Grip The Children's Bach Cosmo Cosmolino and The Spare Room I rolled and rolled in the water deafening my ears while I thought of and discarded all the reasons why I shouldn't go I popped up hanging on to the rail hair streaming on my neck OK I'll come Javo was looking at me So afterwards it is possible to see the beginning of things the point at which you had already plunged in while at the time you thought you were only testing the water with your toe Garner is a natural storyteller James Wood New Yorker Her use of language is sublime Scotsman This is the power of Garner's writing She drills into experience and comes up with such clean precise distillations of life once you read them they enter into you Successive generations of writers have felt the keen influence of her work and for this reason Garner has become part of us all Australian Its embattled characters are so real that by the last page you feel not just that you have read a magnificent novel but that you have experienced life itself The Times on The Spare Room What Garner offers in these novels is an alternative to the cloying metafiction of the late 20th century and the washed out realism of the 21st They are undeniably of their time the 1970s commitment to the liberating possibilities of sex drugs and communal living in Monkey Grip the hangover nursed in the 1980s in The Children's Bach but they also belong to a literary epoch we think of as long gone as they earnestly strive to resurrect a modernist art of estrangement London Review of Books *APAIS 1992: Australian public affairs information service*, **The Cambridge Companion to the Australian Novel** Nicholas Birns, Louis Klee, 2023-03-02 The Cambridge Companion to the Australian Novel provides a clear lively and accessible account of the novel in Australia The chapters of this book survey significant issues and developments in the Australian novel offer historical and conceptual frameworks and demonstrate what reading an Australian novel looks like in practice The book begins with novels by literary visitors to Australia and concludes with those by refugees In between the reader encounters the Australian novel in its splendid contradictoriness from nineteenth century settler fiction by women writers through to literary images of the Anthropocene from sexuality in the novels of Patrick White to Waanyi writer Alexis Wright's call for a sovereign First Nations literature This book is an invitation to students instructors and researchers alike to expand and broaden their knowledge of the complex histories and crucial present of the Australian novel **Everyday Revolutions** Michelle Arrow, Angela Woollacott, 2019-08-30 The 1970s was a decade when matters previously considered
