Necessary Endings Henry Cloud :

Necessary Endings Henry Cloud, 2011-01-18 End Pain Foster Personal and Professional Growth Live Better While endings are a natural part of business and life we often experience them with a sense of hesitation sadness resignation or regret But consultant psychologist and bestselling author Dr Henry Cloud sees endings differently He argues that our personal and professional lives can only improve to the degree that we can see endings as a necessary and strategic step to something better If we cannot see endings in a positive light and execute them well he asserts the better will never come either in business growth or our personal lives In this insightful and deeply empathetic book Dr Cloud demonstrates that when executed well necessary endings allow us to proactively correct the bad and the broken in our lives in order to make room for the professional and personal growth we seek However when endings are avoided or handled poorly as is too often the case good opportunities may be lost and misery repeated Drawing on years of experience as an executive coach and a psychologist Dr Cloud offers a mixture of advice and case studies to help readers know when to have realistic hope and when to execute a necessary ending in a business or with an individual identify which employees projects activities and relationships are worth nurturing and which are not overcome people's resistance to change and create change that works create urgency and an action plan for what's important stop wasting resources needed for the things that really matter Knowing when and how to let go when something or someone isn't working a personal relationship a job or a business venture is essential for happiness and success *Necessary Endings* gives readers the tools they need to say good bye and move on

The Toxic War on Masculinity Nancy R. Pearcey, 2023-06-27 Why Can't We Hate Men asks a headline in the Washington Post A trendy hashtag is KillAllMen Books are sold titled I Hate Men The End of Men and Are Men Necessary How did the idea arise that masculinity is dangerous and destructive Bestselling author Nancy Pearcey leads you on a fascinating excursion through American history to discover why the script for masculinity turned toxic and how to fix it Pearcey then turns to surprising findings from sociology Religion is often cast as a cause of domestic abuse But research shows that authentically committed Christian men test out as the most loving and engaged husbands and fathers They have the lowest rates of divorce and domestic violence of any group in America Yes domestic abuse is an urgent issue and Pearcey does not mince words in addressing it But the sociological facts explode the negative stereotypes and show that Christianity has the power to overcome toxic behavior in men and reconcile the sexes an unexpected finding that has stood up to rigorous empirical testing
