Towns,2010-02-11 God created the human body as a finely tuned instrument of enormous power but it requires fuel to operate To make sure that body gets enough fuel God created in humans an appetite for food which we call hunger So why would anyone ever ignore hunger and choose not to eat Going without food for spiritual reasons is called fasting a spiritual discipline with a long and important history in Christianity When accompanied by earnest prayer fasting demonstrates a believer s sincerity to God In The Beginner s Guide to Fasting beloved teacher theologian Elmer Towns introduces the basics to those who may have never fasted before and reviews the fundamentals for seasoned intercessors Dr Towns gives an overview of fasting from the Old and New Testaments and answers questions about fasting related to physical health social interaction spiritual warfare and much more The Beginner s Guide to Fasting is an essential handbook for all who long to draw closer to God through biblical spiritual disciplines 40 Days in His Face Tami Robinson,2019-12-13 40 Days in His Face is a fast birthed by Tami Robinson The LadiApostle in 2015 during an extremely challenging season of warfare Tami found that when her normal spiritual routine wasn t working and the warfare she was experiencing became more intense fasting was her last and final answer As she obeyed God and began to strategically fast the storm in her life began to cease This fast became a yearly movement which has been guiding many into a deeper worship experience This guide will share spiritual nuggets practical direction and instruction for those who desire to see effective results while fasting God told the disciples some deliverances only take place by fasting and prayer Fasting is a means of personal consecration It can bring us closer to God sharpen our spiritual senses as well as break bondages and strongholds that are resistant If you desire to experience a deeper personal connection with God a fast may be the answer Get ready to embark upon a season of renewal and transformation through fasting and prayer A lot can happen in 40 days One Holy Passion Frederick Osborn,2014-12-30 After returning from the mission field in India for another visit to the US I was presented with a copy of a prayer guide written by the wife of my Pastor Sis Rosemary Lester Our home church was nearing completion of a time of prayer and fasting inspired by her devotional guide One Holy Passion Immediately I recognized this material as something that could be as inspirational and meaningful to the church in India as it was to my home church family I edited the guide added the material by Dr Cooper and Bill Bright had it translated into Tamil printed and distributed When Sis Rosemary visited Chennai in January 2007 I presented a copy to her Because Rosemary Lester wrote this Daily Devotional Guide to speak to the members of our church during our special 40 day period of prayer and fasting leading up to Easter Sunday 2006 it was my task as Editor to preserve as much of the original content as possible while making One Holy Passion meaningful and relevant to as many people as possible As I reworked this material I could sense the love and compassion of Rosemary for the Lord and for His body the church on every page Those who use this guide for strength

direction and exhortation will I believe find Rosemary's loving words echoing the Holy Spirit's voice encouraging them to persevere to the end of their own 40 day spiritual journey Although One Holy Passion was originally intended for a specific church to use for a specific period of time it can now be used by any individual or group and can be started any time of the year In addition to the Daily Devotional Guide I included in this work the same supplemental instructional material that was in the Tamil to help believers understand the discipline of prayer and fasting from the Christian context Finally I added more quotes from respected Christians on the subject of prayer and fasting and some information on the people culture and religions from around the world The final result is what you now hold in your hand May this prayer and fasting guide lead you on your own personal spiritual journey and at the same time lead you to pray and fast for missions and missionaries around the world May God bless all who surrender themselves in One Holy Passion for His glory Frederick Osborn India Field Director Bibles for All Ministries *Reviving Your Spirit* JESUS. Heaven on Earth
Michael Orji, 2019-12-22 Christian fasting comes in many different forms Each type depends on what one wants to achieve Here Dr Michael Orji writes quite a different kind that is unique in both styles and presentation He chose 40 days the example of our Lord Jesus Christ By citing other examples of fasting in the Old Testament of the Bible he proves that fasting is ancient and that the one by our Lord Jesus Christ is typical He therefore makes a perfect use of that as the pattern for his book Heavens on Earth 40 Days that Will Transform Your Life The Power of Fasting and Prayer Fasting is attached to prayer by bringing into his writing the title Heaven on Earth he is highlighting the saying that meditation is a visit to God and makes it the primary object of fasting This also goes to say that fasting is different from starving A fasting that does not lift one up to God is not intended to bring God down is no real fasting A hymn writer says Rend the Heavens and come down I thoroughly appreciate his presentation the style already mentioned above Having chosen 40 days he picks up each day starting from day one Each day has its theme or topic and he provides its Bible equivalent He writes the whole verse out so that you can read this book wherever you are He exposes the passage based on the topic Then he concludes and gives you the opportunity to write what appeals to you from the exposition Secondly reflects what you make of the passage and exposition in your own words including answers to questions He provides a window for the individual to write your prayers based on the topic or passage and exposition In this way one can write their prayers in their unique fashion He thus makes Heavens on Earth 40 Days that Will Transform Your Life The Power of Fasting and Prayer a book not for the shelf but for the table for constant references In this book you will learn different types of fasting He says That fasting that keeps God away is

not fasting He deals extensively with faith which is very crucial in fasting and warns that it is not all about us but it is all about God Here he draws attention to GRACE and not in the least our work or efforts I very much congratulate Dr Orji for daring to be different I mean he has done a marvelous work of excellent presentation in style and type that is rare Those who are used to fasting need to have the book as well as those who want to fast should try to have it as a guide Finally he brings in the phrase practicing His presence and this reminds me again of the Song Your Presence is Heaven so fasting which is prayer in its advanced form means Heaven on Earth I recommend to individuals and families to make it a must in their homes In the end you will have gotten your own 40 well written prayers on different topics
