Acting Out Culture Readings For Critical Inquiry:

Acting Out Culture James S. Miller, 2014-11-07 Students are bombarded every day with cultural messages laden with unstated rules about what makes our work valuable our bodies ideal our connections meaningful Acting Out Culture helps students empower themselves to use writing to speak back to their culture and question its rules The first two editions have appealed especially to those students who are not full participants in the dominant culture as well as to their instructors who want to help those students to see how subtle and not so subtle cultural forces can shape their lives and how they can challenge and resist those forces The new edition of Acting Out Culture builds on that success providing provocative readings more than 50 percent of them new that challenge the rules we live by pedagogical tools to encourage students to think and write critically about their culture and instructional support featuring sample syllabi additional discussion topics and ideas for teaching with visuals and online content And now with the new edition you can meet students where they are online Our newest set of online materials LaunchPad Solo provides all the key tools and course specific content that you need to teach your class Get all our great course specific materials in one fully customizable space online then assign and mix our resources with yours To package LaunchPad Solo free with Acting Out Culture use ISBN 978 1 319 01052 2 *Acting Out Culture* James S. Acting Out Culture James S. Miller, 2008-01-10 Students are bombarded every day with media messages laden with rules how true patriots should act how healthy people eat what real women should look like Acting Out Culture is the first thematic composition reader to focus students attention beyond what rules and norms govern their everyday behavior to how the rules themselves have been shaped over time The author James Miller has drawn on his cutting edge expertise in cultural analysis to help students inquire into those social norms and respond with writing that positions them as citizens making informed decisions about their world Critical Race Narratives Carl Gutierrez-Jones, 2001-08 An immensely valuable contribution As the last generation of witnesses to the Holocaust testify to its horrors they must also testify to its heroes those who risked all to save lives These movingly told stories restore our faith in the human spirit William Shirer The mystery of the rescue phenomenon will probably always elude us As the rescuers narratives in this remarkable volume show the acts of saving Jews seemed spontaneous and natural and thus the mystery of the rescue act begins to unravel radiantly The insights which this interdisciplinary collection of essays subtly pieces together show in unique fashion the preconditions or the possibilities of individual and collective courage Dennis B Klein author of Jewish Origins of the Psychoanalytic Movement A distinguished group of internationally known individuals Jews and non Jews rescuers and rescued offer their enriching first person accounts and reflections that explore the question Why did the Danes risk their lives to rescue the Jewish population

Speaking Out of Turn Stephanie Sparling Williams, 2021-08-24 Speaking Out of Turn is the first monograph dedicated to the forty year oeuvre of feminist conceptual artist Lorraine O Grady Examining O Grady s use of language both written and spoken Stephanie Sparling Williams charts the artist s strategic use of

direct address the dialectic posture her art takes in relationship to its viewers to trouble the field of vision and claim a voice in the late 1970s through the 1990s when her voice was seen as out of turn in the art world Speaking Out of Turn situates O Grady s significant contributions within the history of American conceptualism and performance art while also attending to the work s heightened visibility in the contemporary moment revealing both the marginalization of O Grady in the past and an urgent need to revisit her art in the present

Writing the History of the Humanities Herman Paul,2022-11-17
Choice Outstanding Academic Title 2023 What are the humanities As the cluster of disciplines historically grouped together as humanities has grown and diversified to include media studies and digital studies alongside philosophy art history and musicology to name a few the need to clearly define the field is pertinent Herman Paul leads a stellar line up of esteemed and early career scholars to provide an overview of the themes questions and methods that are central to current research on the history of the nineteenth and twentieth century humanities This exciting addition to the successful Writing History series will draw from a wide range of case studies from diverse fields as classical philology art history and Biblical studies to provide a state of the art overview of the field In doing so this ground breaking book challenges the rigid distinctions between disciplines and show the variety of prisms through which historians of the humanities study the past
