Mastering the Case Interview, 9th Edition Alexander Chernev, 2018-03-22 Mastering the Case Interview offers
detailed advice on how to ace the case interview This book outlines the general principles of managing the case interview
delineates the most common types of cases and outlines a framework for approaching each type of case The discussion of the
basic principles of case analysis is complemented by an extensive array of interview examples that includes 20 sample case
discussions and 200 practice questions *Case Interview Frameworks* Robert Steiner, 2015-08-30 You often hear in
discussions about case interviews that you should not use standard business frameworks and concepts at all because they
just don t fit to the specific case question and interviewers don t like it when candidates use standard frameworks to solve
cases However when challenging this shallow generalized and popularized statements there aren t any of those arguments
remaining on the table It is most definitely true that you can t crack a realistic interview case by relying solely on
standardized frameworks but all those business frameworks and concepts are extremely helpful templates which you can and
even should put into your toolbox and use them whenever appropriate if not to the full extent at least partly Such a standard
business framework is just a tool and the tool itself is rarely good or bad it mainly depends on how and for which purpose you
use it With this book you achieve all of the following Get a profound overview of the most important business concepts and
frameworks needed in consulting case interviews Really understand those business concepts and frameworks instead of
possessing only knowledge of dangerous half truths Impress your interviewer on how structured and therefore client friendly
you tackle tough case interview questions Quickly learn how to actually apply those frameworks to concrete business
situations instead of just having a shallow theoretic knowledge of them Be more MECE mutually exclusive collectively

exhaustive in setting up your overall case structure at the beginning of your case interview Better structure your answers to particular questions later on in your case interview again being more MECE Save tons of time by having high quality content from 10 years of consulting and interview experience together in one single book Significantly reduce the risk of losing a tier 1 consulting firm job offer because you were not structured enough in your interview and we all know how important it is to be ABS Always Be Structured
