

Nursing Case Studies

Management of acute exacerbation of chronic heart failure

Patient background

Mr. Johnson is a 65-year-old male with a history of chronic heart failure (CHF). He presents to the emergency department with complaints of worsening shortness of breath, fatigue, and lower extremity edema for the past two days. He reports non-compliance with his prescribed medications and dietary restrictions.

Assessment findings

- **Vital signs:** BP 160/90 mmHg, HR 110 bpm, RR 24 bpm, SpO2 88% on room air
- **Lung auscultation:** Bilateral crackles heard in lung bases
- **Lower extremity assessment:** 2+ pitting edema bilaterally
- **Lab results:** Elevated BNP levels, hyponatremia, hypokalemia

Nursing diagnoses

1. Impaired Gas Exchange related to fluid overload and decreased oxygenation.
2. Activity Intolerance related to decreased cardiac output and dyspnea.
3. Noncompliance with Medications related to lack of understanding and socioeconomic factors.

Interventions

1. Administer oxygen therapy via nasal cannula at 2 L/min to improve oxygenation.
2. Monitor fluid intake and output, restrict sodium intake, and administer prescribed diuretics to reduce fluid overload.
3. Educate the patient and family about the importance of medication adherence, dietary restrictions, and daily weight monitoring.
4. Collaborate with the healthcare team to adjust medication regimen, including ACE inhibitors, beta blockers, and diuretics.

Rationale for interventions

1. Oxygen therapy improves oxygenation and relieves dyspnea.
2. Diuretics help reduce fluid overload and alleviate symptoms of congestion.
3. Patient education promotes self-management and empowers the patient to participate in their care.

Evaluation

- Mr. Johnson's oxygen saturation improves to 94% on supplemental oxygen.
- Crackles in lung bases diminish after diuretic therapy, and lower extremity edema decreases.
- Patient verbalizes understanding of medication regimen and plans to adhere to prescribed treatment.
- Follow-up appointment scheduled for cardiac rehabilitation and medication review.

Case Studies In Emergency Nursing Altered Level Of Consciousness

Jayne McGrath, Andi Foley

Case Studies In Emergency Nursing Altered Level Of Consciousness:

Case Studies In Emergency Nursing Bourn,1995-01-01 Producer Presents three patients who confounded initial assessment efforts *Case Studies in Emergency Nursing* Barbara Mlynczak-Callahan,1990 **Principles of Acute Care Nursing** Sarah McGloin,Alice Skull,2022-08-27 Taking a structured approach that maps to the ABCDE method of patient assessment the book provides a one stop shop for nursing students that shows how to plan care for the acutely ill adult The use of case studies and activities bring the book to life with clear and simple explanations of the relevant anatomy physiology and pathophysiology helping to build a deeper understanding of acute illness and disrupted homeostasis Key features Adopts a patient centred approach that considers the full context of care the patient s own view and psycho social needs Blends the underlying science of health and illness with practical application Contains activities case studies illustrations and figures to support a wide range of learning styles **Case Studies in Gerontological Nursing for the Advanced Practice Nurse** Meredith Wallace Kazer,Leslie Neal-Boylan,2012-02-08 As the fastest growing population sector worldwide older adults are seen in almost every care setting in which clinicians practice Developed as a resource for advanced practice nurses in any setting *Case Studies in Gerontological Nursing for the Advanced Practice Nurse* presents readers with a range of both typical and atypical cases from real clinical scenarios The book is organized into six units covering cases related to ageism common health challenges health promotion environments of care cognitive and psychological issues and issues relating to aging and independence Each case follows a similar format including the patient s presentation critical thinking questions and a thorough discussion of the case resolution through which students and clinicians can enhance their clinical reasoning skills Designed to promote geriatric clinical education through self assessment or classroom use *Case Studies in Gerontological Nursing for the Advanced Practice Nurse* is a key resource for all those dedicated to improving care for older adults

Case Studies In Emergency Nursing Altered Level Of Consciousness Introduction

In the digital age, access to information has become easier than ever before. The ability to download Case Studies In Emergency Nursing Altered Level Of Consciousness has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Case Studies In Emergency Nursing Altered Level Of Consciousness has opened up a world of possibilities. Downloading Case Studies In Emergency Nursing Altered Level Of Consciousness provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Case Studies In Emergency Nursing Altered Level Of Consciousness has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Case Studies In Emergency Nursing Altered Level Of Consciousness. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Case Studies In Emergency Nursing Altered Level Of Consciousness. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Case Studies In Emergency Nursing Altered Level Of Consciousness, users should also consider the potential

security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Case Studies In Emergency Nursing Altered Level Of Consciousness has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Case Studies In Emergency Nursing Altered Level Of Consciousness Books

1. Where can I buy Case Studies In Emergency Nursing Altered Level Of Consciousness books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
