Castrated Men Before And After Pics:

Hitler's Prisons - Legal Terror in Nazi Germany Nikolaus Wachsmann, 2015-05-26 State prisons played an indispensable part in the terror of the Third Reich incarcerating many hundreds of thousands of men and women during the Nazi era This important book illuminates the previously unknown world of Nazi prisons their victims and the judicial and penal officials who built and operated this system of brutal legal terror Nikolaus Wachsmann describes the operation and function of legal terror in the Third Reich and brings Nazi prisons to life through the harrowing stories of individual inmates Drawing on a vast array of archival materials he traces the series of changes in prison policies and practice that led eventually to racial terror brutal violence slave labor starvation and mass killings Wachsmann demonstrates that ordinary legal officials were ready collaborators who helped to turn courts and prisons into key components in the Nazi web of terror And he concludes with a discussion of the whitewash of the Nazi legal system in postwar West Germany

Screening Images of American Masculinity in the Age of Postfeminism Elizabeth Abele,, John A. Gronbeck-Tedesco, 2015-12-03 This collection of essays presents a sampling of film and television texts interrogating images of U S masculinity Rather than using postfeminist as a definition of contemporary feminism this collection uses the term to designate the period from the late 1980s on as a point when feminist thought gradually became more mainstream The movies and TV series examined here have achieved a level of sustained attention from critical acclaim to mass appeal to cult status Instead of beginning with a set hypothesis on the effect of the feminist movement on images of masculinity on film and television these chapters represent a range of responses that demonstrate how the conversations within these texts about American masculinity are often open ended allowing both male characters and male viewers a wider range of options Defining the relationship between U S masculinity and American feminist movements of the twentieth century is a complex undertaking The essays collected for this volume engage prominent film and television texts that directly interrogate images of U S masculinity that have appeared since second wave feminism The contributors have chosen textual examples whose protagonists actively struggle with the conflicting messages about masculinity These protagonists are more often works in progress acknowledging the limits of their negotiations and self actualization These chapters also cover a wide range of genres and decades from action and fantasy to dramas and romantic comedy from the late 1970s to today Taken together the chapters of *Screening Images of American Masculinity in the Age of Postfeminism* interrogate the possible screened in popular movies and television series confronting the multiple and competing visions of masculinity not after or beyond feminism but rather in its very wake
