*The Basque Contention* Ludger Mees, 2019-07-19 To the outside world for some half a century the words Basque Country have provoked an almost instant association with the Euskadi Ta Askatasuna ETA Basque Homeland and Liberty separatist group and violent conflict The Basque Contention Ethnicity Politics Violence attempts to undo this simplistic correlation and for the first time provide a definitive history of the wider political issues at the heart of the Basque Country Drawing on three decades of research on Basque nationalism

Ludger Mees weaves together the various historical and contemporary strands of this contention from the late medieval kingdoms of Spain and France and the first articulations of a Basque ethno particularism to the dissolution of ETA in 2018 and all manner of dictatorships conflict peace civil war political intrigue hope and failure in between For anyone who has ever wanted to gain an insight into the Basque Country beyond the headlines of ETA and grasp the complexity of its relationship with Spain France and indeed itself this volume provides a detailed yet digestible basis for such an understanding

*Phoenix Rising* Donald G. Lett, Donald G Lett Jr, 2008-02 In an age when the supply of gasoline to feed this modern American society has become both more expensive and more scarce questions are being pondered Inquires like How can a modern society scale back its dependence on gasoline as a motive source Are there genuine alternative power sources Are they the answer to a growing crisis Recent announcements of hybrids like those from Honda Toyota and Ford have really brought attention to this issue Hybrids that use both gasoline engines and electric motors Really though alternative power sources have been around for as long as the automobile has been The battle between and among the steam car the electric and the gas car was fought out in the first couple of decades of the twentieth century This book explores the ins and outs of that battle A struggle from which the gasoline car emerged completely victorious To such an extent that steam cars and electric cars virtually disappeared from the scene for many decades We will look over all three alternatives exploring their advantages and disadvantages We will also look over the obstacles to the steamers and the electrics Barriers that still exist to a certain extent Handicaps that caused their disappearance in the first place
