1. Analyze the code and determine whether the code illustrates an application of the design strategy of Strategy and explain.

Figure 4. The Strategy design.

Note in the code that all strategies implement the `doSomething()` method. However, the design is following an application strategy-based strategy.

1. The code is not following the Strategy design strategy because the `doSomething()` method is implemented in the `Context` class.
2. The code is not following the Strategy design strategy because the `doSomething()` method is implemented in the `Context` class.
3. The code is not following the Strategy design strategy because the `doSomething()` method is implemented in the `Context` class.
