## Before You Read: Predicting

Scan the title of the chapter and the lesson titles. Write three questions that you think will be answered in the chapter. One example might be

*What were the main geographic features of Greece?*

If you find the answer to any of your questions as you read, write it down in your notebook.

## Big Ideas About Ancient Greece

**Government** Governments create law codes and political bodies to organize a society.

Mountains separated ancient Greece into regions, which were organized as separate city-states. Originally, kings ruled those city-states, but over time other forms of government evolved. The city-state of Athens developed direct democracy, in which all male citizens met in an assembly to make their own laws.
