

Sociology- Chapter 1: The Sociological Imagination

- **Sociological imagination: Capacity to think about things we experience as personal problems are social issues (coined by sociologist C. Wright Mills in 1959)**
- **Helps us ask hard questions and seek answers about the social worlds we inhabit**
- **A social imagination:**
 - **Challenges our basic impulses to see aspects of life as inevitable or natural**
 - **Provides insight into stereotyping and active discrimination**
 - **Facilitates more active and effective participation in the world around us**
- **Engaging our Sociological Imaginations: From Personal Puzzles to Sociological Questions**
 - **The ability to ask hard questions, not accept easily available answers, is the hallmark of sociological imagination**
 - **Sociological questions: Result of using sociological imagination to make sense of experiences & observations**
 - **Example: Why is that the richest country in the world has so many people living in poverty- far more than other less wealthy countries?**
- **Sociological Questions: A detailed example**
 - **Four examples:**
 - **How has the nature of campus life changed in the past few decades?**
 - **Why are certain colleges more focused on academic learning than others?**
 - **Why do some schools become known as party schools, and what are the consequences for students attending those schools?**
 - **Is the United States alone in tases changes of higher education, or are there global shifts underway to change the meaning and experience of college across national borders?**
