Chapter 27 The Age Of Imperialism Notes:

Imperialism and the Developing World Atul Kohli, 2020 How did Western imperialism shape the developing world Atul Kohli tackles that question by analyzing British and American influence on Asia Africa the Middle East and Latin America from the age of the British East India Company to the most recent U S war in Iraq How did Western imperialism shape the developing world In Imperialism and the Developing World Atul Kohli tackles this question by analyzing British and American influence on Asia Africa the Middle East and Latin America from the age of the British East India Company to the most recent U S war in Iraq He argues that both Britain and the U S expanded to enhance their national economic prosperity and shows how Anglo American expansionism hurt economic development in poor parts of the world To clarify the causes and consequences of modern imperialism Kohli first explains that there are two kinds of empires and analyzes the dynamics of both Imperialism can refer to a formal colonial empire such as Britain in the 19th century or an informal empire wielding significant influence but not territorial control such as the U S in the 20th century Kohli contends that both have repeatedly undermined the prospects of steady economic progress in the global periphery though to different degrees Time and again the pursuit of their own national economic prosperity led Britain and the U S to expand into peripheral areas of the world Limiting the sovereignty of other states and poor and weak states on the periphery in particular was the main method of imperialism For the British and American empires this tactic ensured that peripheral economies would stay open and accessible to Anglo American economic interests Loss of sovereignty however greatly hurt the life chances of people living in Asia the Middle East Africa and Latin America As Kohli lays bare sovereignty is an economic asset it is a precondition for the emergence of states that can foster prosperous and inclusive industrial societies
