To Whom It May Concern,

It is my privilege to write this recommendation for _____ I have been fortunate to coach _____ on the _____ High School cheerleading squad for _____ years now. In the time I've spent with _____ she has shown to be a young woman of character, intelligence, and talent. She displays the leadership and work ethic that every coach hopes for from their top athletes. _____ is one of the hardest working student athletes that I have worked with in my years of coaching cheerleading. She is dedicated not only to her four-time national championship winning high school cheerleading program, but demonstrates the same level of commitment to her all-star program as well. _____ leads by example and is focused and determined to become the best athlete she can. She responds well to feedback from her coaches and has taken her natural talent to the next level through her hard work and a tremendous desire to succeed.

As wonderful of a cheerleader as _____ is, she is even a fine young woman. She displays a positive attitude in the classroom and the same work ethic that has made her such a talented cheerleader has made her a strong student. _____ is kind, humble, and is willing to assist where needed. Throughout the season I have had the pleasure of watching her grow and improve tremendously as a person and as an athlete.

I strongly believe that _____ will be an asset to any program. She is talented, intuitive, dedicated, and focused in her pursuits. _____ consistently seeks out constructive feedback so she can improve her skills, which, in my experience, is a rare and impressive quality in a high school student. It is my hope that you will give _____ strong consideration as I am confident she will make you proud just as she has made her coaches proud.

Sincerely,

Cheerleading Coach
