Kiss The Rain English Edition:

Rain on Someone's Parade (english version) Asahina Sakura,2025-03-30 After being isolated for nearly 13 years Arisha Fontaine has always longed for one thing freedom When she finally decides to sneak out escaping the palace in search of a new life and to avoid an unwanted marriage she crosses paths with River a man with silver blond hair cold gray eyes and a smile that always seems like a mockery There is something off about him something she should stay away from But the farther she tries to run the deeper she finds herself trapped in the darkness something River has created just for the two of them

Kiss the Rain Connie Furnari,2017-03-05 She entered in and closed the door trying to show determination though her heart was beating fast When Luke heard the strong noise he turned around to look at her and his face became scarlet He stayed quiet and finally asked Miss Ward can I help you Do you need today s lesson notes Miriam rested her hands on the desk staring him in the eyes Why you didn t tell me you re married this morning she inquired gravely Luke sighed resigned He got up from the chair and went in front of her Well why you didn t tell me you re only eighteen I though you were a college student not a high school one I could get in mess for a shit like this I haven t told anyone she replied to encourage him Miriam is a girl like any other in her high school During a rainy morning at the bus stop she meets a handsome young man with whom she shares a highly erotic moment However after that brief encounter the young man disappears leaving her with a lump in the throat When Miriam gets into her class she realizes that the same man is her new professor of literature and that he is married So she promises herself that she will do anything to seduce him Luke tries to resist the increasingly bold provocations of the girl until he surrenders blinded by her passion still inexperienced But soon both will realize that their secret relationship is not only about sex due their overwhelming feelings
