Language Contact in Ancient Egypt Thomas Schneider, 2023 This book provides the first comprehensive introduction to the field of language contact and multilingualism in ancient Egypt before the Greco Roman period 4th millennium BCE 4th c BCE It gives a survey of the historical evidence of linguistic interference of Egyptian with languages in Africa the Near East and the Mediterranean discusses the different attested phenomena of language contact and offers a case study of foreign language communities in ancient Egypt Detailed indexes makes this book a rich source of linguistic information for general linguistics and neighboring disciplines

Handbook of Plane Contact Mechanics Valentin L. Popov, Markus Heß, Emanuel Willert, 2025-02-18 The book contains a structured collection of complete solutions to all relevant plane contact problems Classic profiles such as the cylinder the wedge or the rectangular flat punch are considered under centric and eccentric loading but also a variety of other technically relevant shapes such as the flat punch with rounded edges the wedge with rounded tip or wavy surfaces With regard to the load configuration adhesive and non adhesive normal contacts tangential contacts and rolling contacts are considered The materials considered are elastic isotropic transversally isotropic viscoelastic and functionally graded media The solutions given are derived in the simplest way available and in addition to the macroscopic relationships between load and contact configuration include the stress fields in the surface and where applicable within the contacting bodies

Language Contact. Volume 2 Jeroen Darquennes, Joseph C. Salmons, Wim Vandenbussche, 2025-04-21 Targeting a full range of students and scholars this volume provides a total of 50 chapters illustrating the linguistic dynamics and the dynamics of inter individual and societal language contact as well as the dynamics of multidisciplinary language contact studies Fueled by a wealth of data from a rich variety of contact situations its geographically balanced case studies are governed by the triangulation between a focus on language structure and change a sincere drive of sociopolitical and academic agency and the confrontation with an everyday reality that can be unkind to and ignorant of those two factors The volume clearly demonstrates the social relevance of our trade in a time burdened with ecolinguistic challenges
