Ponnuchamy,2018-04-05 Often I heard during my Army service spanning over 33 years the saying that GENERALS DO NOT  
RETIRE THEY FADE AWAY This has got a lot of meaning in it and is certainly debatable My aim of writing this book is purely  
to motivate the younger generation to work hard be sincere be loyal and above all persevere to achieve their cherished goals  
In all humility I would like to say that I have no intention to beat my own drums or for that matter discredit any one while  
narrating my experience I follow the dictum that if I have nothing other than praise for anybody I refrain from saying  
anything ill I must confess that I came up in a hard way with the grace GOD ALMIGHTY and the utter perseverance of my  
parents and also my uncle Chithappa who sacrificed everything in my raising The least I could do to them was to live up to  
their expectations and follow their guiding principles What they did for me to motivate me and instill in me the courage and  
determination to face life in all its reality I would like to share with the young readers to enable them to rise in life If even  
one student reader benefits by reading this book I will fully be satisfied for compiling the experiences of my life *Historical*  
*Dictionary of the Tamils* Vijaya Ramaswamy,2017-08-25 The Tamils have an unbroken history of more than two thousand  
years Tamil the language they speak is one of the oldest living languages in the world The only people comparable to the  
Tamils in terms of their hoary past and vibrant present would be the Jews with one marked difference The Tamils have  
always had their homeland Tamilaham alternately pronounced and spelt Tamizhaham known today as Tamil Nadu which to  
them represents their mother and is revered by them as Tamizh Tai literally Tamil Mother This is in striking contrast to the

Jews who have been through a long and arduous struggle to gain their homeland a deeply contested site to this day with Hebrewisation of Israel being a key marker of Jewish identity in the region Tamils by contrast have a clear numerical majority in the region that now comprises Tamil Nadu and the language unites rather than divides adherents of different faiths The second edition of Historical Dictionary of the Tamils contains a chronology an introduction and an extensive bibliography The dictionary section has over 600 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about the Tamils
