Media, Communication, Culture James Lull, 2000 For this new edition coverage has been expanded from six to eleven chapters and has been thoroughly updated to include all new developments in the field **BOOK JACKET** Media, Communication, Culture James Lull, 1995-01 A comprehensive analysis of developments in media and communication amidst the effects of postmodernism and globalization James Lull draws from a wide range of social and cultural theory including the work of John B Thompson Thomas Sowell Nestor Garcia Canclini Anthony Giddens and Samuel P Huntington to formulate a well balanced and highly original account of key contemporary developments worldwide Media, Communication, Culture: a Global Approach James Lull, 1995 An introduction to media and cultural studies which draws on the major streams of cultural and social theory and on ethnographic research Discusses how modern mass media interact with and influence ideology consciousness hegemony social rules power meaning and culture **Culture in the Communication Age** James Lull, 2002-01-04 What does it mean to live in the Communication Age What has happened to culture in the Communication Age What is the nature of culture today Culture in the Communication Age brings together some of the world's leading thinkers from a range of academic disciplines to discuss what culture means in the modern era They describe key features of cultural life in the communication age and consider the cultural implications of the rise of global communication mass media information technology and popular culture Individual chapters consider Cultures of the mind Rethinking culture in a global context Re thinking Culture from ways of life to lifestyle Gender and Culture Popular Culture and Media Spectacles Visual Culture Star Culture Computers the Internet and Virtual Cultures Superculture in the Communication Age **Media, Communication, Culture** James Lull, 2013-05-02 Media Communication Culture offers a bold and comprehensive analysis of developments in the field amidst the effects of postmodernism and globalization James Lull one of the leading scholars in the discipline draws from a wide range of social and cultural theory including the work of John B Thompson Thomas Sowell Nestor Garcia Canclini Anthony Giddens and Samuel P Huntington to formulate a well balanced and highly original account of key contemporary developments worldwide The first edition of Media Communication Culture became a well established introductory text For this new edition coverage has been expanded from six to ten chapters and has been thoroughly updated to include all new developments in the field In his familiar and accessible style Lull brings to life a diverse range of examples and mini case studies which will prove invaluable to the reader These range from the hip hop hybrids of New Zealand's Maori youth and the vastly divergent meaning of race and culture in Brazil and the United States to the global impact of McDonalds and Microsoft Complex theoretical ideas such as globalization symbolic power popular culture ideology consciousness hegemony social rules media audience cultural territory and superculture are explained in a clear and engaging way that challenges traditional understandings By connecting major streams of theory to the latest trends in the global cultural mix the book provides a fresh and unsurpassed introduction to media communication and cultural studies It will prove essential

reading for undergraduates and above in the fields of media studies communication studies cultural studies and the sociology of culture

Understanding the Media Eoin Devereux, 2007-07-25 The second edition of *Understanding the Media* updates what has been recognised as a successful introduction to the study of the mass media The author furnishes examples from all around the world underpinning the emphasis the book places on the concept of globalisation in understanding the modern media The readings and questions force students to reflect critically on issues and encourage them to explore their own media consumption habits The chapters are well organised and user friendly with the chapter on globalisation highly recommended Introductions to media globalisation often fail to provide a succinct and clear overview for first year students this chapter cracks the problem with a pithy description of the basic concepts and debates interlaced with illuminating case studies and illustrative examples The strength of Eoin Devereux's text is that the examples are familiar and relevant to present day students and his style does not patronise or talk down to them Clearly written comprehensive well organised and up to date This is an excellent introductory text for media studies students Times Higher Education Praise for the first edition An interesting book to read written in a simple and transparent style and interlaced with topical up to date examples of media events Journal of Educational Media This is a well organized well informed student friendly textbook ideal for first year undergraduates as a kicking off point into the field of media and communications research It deserves to be widely taken up European Journal of Communication *Understanding the Media* introduces key theoretical issues in media analysis and encourages students to use case studies to examine their own personal media use and exposure Devereux applies a model of media analysis that gives equal weight to the production content and reception of media texts A particular emphasis is placed on understanding the mass media in a social context and readers are invited to engage with a variety of questions about the increasingly complex mediascape in which we live our everyday lives Now thoroughly revised and expanded this Second Edition Includes an additional chapter which draws together the book's key themes Contains new and revised case studies with expanded discussions on media audiences and fandom and blogging New and revised extracted readings in every chapter In addition the book is now accompanied by an ancillary website with resources for students as well as slides for tutorials lectures Each chapter contains concise summaries exercises extracts from experts in the field model exam and essay questions as well as directions for further reading and research This practical dimension to *Understanding the Media* will ensure that the book appeals to both teachers and students of the media in the 21st Century

Border/Lines ,1995

Globalization, Americanization and British Muslim Identity Saied Reza Ameli,2002 A study of the impact of globalization upon the construction of Muslim identity in the West in particular in Britain Drawing on a number of theoretical models it examines the way in which globalization generates

paradoxically two parallel processes homogenization and heterogenization The former process is chiefly characterized by increasing Westernization while the latter is observable in the different forms that growing Islamic resistance has taken in Muslim societies worldwide By examining second generation young adults born in the UK of migrant Muslim parents and the extent to which the Western global cultural industry has influenced their identity the study suggests that through the process of heterogenization cultural forms have become diversified and fragmented and identify common construction is diffused

Confronting Twenty-first Century Challenges Ruth Mukama, Murindwa Rutanga, 2004 **Florian Znaniecki's**

Sociological Theory and the Challenges of 21st Century Elżbieta Hałas, 2000 The volume includes texts by sociologists from the USA Great Britain Germany Italy Australia and Poland all of whom deemed Florian Znaniecki's ideas worth discussing in the context of the condition of contemporary sociology and society at the turning point of this era Znaniecki 1882-1958 an eminent Polish and American sociologist and philosopher of culture conducted research into the possibility of developing social solidarity on a global scale Znaniecki pioneered new ideas in the field of the sociology of nation and in the theory of the global society The main issue for Znaniecki was the possibility of creating inter-cultural communication leading to a peaceful order All texts present creative pursuit of his ideas They bring into focus the theoretical and practical challenges offered both to the departing and to the new generation entering life now at the dawn of the twenty-first century
