Meet Jill Watson: Georgia Tech's first AI teaching assistant

Nov 16, 2019 | By Hillary Lipka

Professor Ashok Goel recently gave a talk at TEDxSanFrancisco about the use of artificial intelligence to answer students' questions in the forums for his online Knowledge-Based Artificial Intelligence (KBAI) class. Dubbed Jill Watson, the AI teaching assistant was based on IBM's Watson platform, which is perhaps best known as the computer that beat two Jeopardy champions. Jill was developed specifically to handle the high number of forum posts by students enrolled in an online course that is a requirement for Georgia Tech's online master of science in computer science program.

Goel and a team of Georgia Tech graduate students began building Jill Watson last year. She began providing responses to student questions in January, and in his talk, Goel describes some of the early problems Jill experienced and what the team did to make her answers better.

Students in the course were unaware that Jill was not a real person. However, some students suspected that, because it was an AI course, it was possible that there was an AI in use in the forums. Goel tells the story about how students reacted upon learning that Jill wasn't human, which included a number of humorous responses that he shares in the full talk, which can be viewed

Research Handbook on the Law of Artificial Intelligence Woodrow Barfield, Ugo Pagallo, 2018-12-28 The field of artificial intelligence AI has made tremendous advances in the last two decades but as smart as AI is now it is getting smarter and becoming more autonomous This raises a host of challenges to current legal doctrine including whether AI algorithms should count as speech whether AI should be regulated under antitrust and criminal law

statutes and whether AI should be considered as an agent under agency law or be held responsible for injuries under tort law

This book contains chapters from US and international law scholars on the role of law in an age of increasingly smart AI addressing these and other issues that are critical to the evolution of the field

AI in the Classroom Ross Smith, Mayte Cubino, Emily McKeon, 2025-10-16

DESCRIPTION For thousands of years education has been shaped by technology from clay tablets and hornbooks to the printing press and now to digital learning platforms and remote education systems As artificial intelligence becomes more embedded in our daily lives its role in education continues to explode AI tools offer personalized instruction streamlined administrative tasks and enhanced student engagement creating a learning environment tailored to individual needs This book offers a guide to AI understanding and implementation in the classroom and how it makes personalized learning practical scalable and achievable for all Readers will understand how the advances in technology over time have led to improvements in education and how AI can enhance a personalized learning experience The authors go in depth to find the latest research to explore the implementation of AI strategies and technology in the classroom along with the critical and increasingly important focus on security privacy and ethical concerns By the end of this book the reader will have a robust understanding of AI and how it can help implement facilitate and augment personalized instruction strategies and techniques to support student learning and growth The future of education is here and it is intelligent adaptive and inspiring

WHAT YOU WILL LEARN Leverage AI to personalize learning Prepare students for an AI integrated world Define a path for educators to navigate their professional development Clarify how this technology will influence administrators Gain insights into the ethical considerations of AI use How to communicate the benefits of AI to parents Enhance student engagement What to look out for to ensure student privacy

WHO THIS BOOK IS FOR Written for educators administrators advanced students parents and policymakers looking to embrace the future of education This book will empower educators and administrators to build an innovative and inclusive educational environment with the assistance of AI Parents will benefit through deepening their understanding of AI and how it guides students toward success

Smart Computing Paradigms: Sustainable Computing Vikrant Bhateja, Aimé Lay-Ekuakille, Suresh Limkar, V. V. S. S. Chakravarthy, 2025-08-02

The proceeding presents best selected papers presented at 6th International Conference on Smart Computing and Informatics SCI 2024 held at Department of Computer Science and Engineering Anil Neerukonda Institute of Technology Sciences ANITS Visakhapatnam India during 19-20 April 2024 It presents advanced and multi disciplinary research towards the design of smart computing and informatics The theme is on a broader front focuses on various innovation paradigms in system knowledge intelligence

and sustainability that may be applied to provide realistic solutions to varied problems in society environment and industries The scope is also extended towards the deployment of emerging computational and knowledge transfer approaches optimizing solutions in various disciplines of science technology and healthcare The work is published in three volumes

Proceedings of the International Conference Theory and Applications in the Knowledge Economy TAKE 2019 Florian Kragulj, 2019-07-10 Foreword Ten years is a long time In 2009 a bunch of friends gathered in Portugal for a conference that was to precede TAKE In 2011 we repeated Then after a strange sequence of events we finally organized TAKE for the first time in 2015 in Aveiro followed by Zagreb Poznan and now Vienna Florian Kragulj was in the first TAKE in Aveiro and from the start showed the highest level of enthusiasm and professionalism in the event These characteristics were kept alive during all the 15 or so months during which we organized TAKE 2019 That this edition of TAKE involves several entities linked with academia i e WU Vienna University of Economics and Business the Austrian Economic Chamber and the Institute for Applied Research on Skilled Crafts and Trades IAGF This in itself a big success and a sign of the Conference improvement Also we may see by analysing the papers and in particular the streams that TAKE has been following the economic times and this year we have several papers on the Gig Economy Only good conferences adjust the others get stuck in time And success in Conferences is about teams And in TAKE that team is indeed a very large group of people including the co chairs the local organizing team the material organizers Book of Abstracts and Proceedings the stream leaders and the paper reviewers without all these persons nothing could have been done And finally we had to depend on the authors and their willingness to work with us Without the work of these large dozens of devoted and skilled people TAKE 2019 would not have existed May I also mention that this time and with Florian s impulse and skill the organization of TAKE was improved in technological terms in short we became techno we used a website to deliver the mail list a website to receive the scientific material and another website to receive the fees All these were investments that eventually paid of and that will guarantee a more stable organization for TAKE in the future And we owe it to Florian However as the Human Resource Development part of TAKE and more than anyone Gary Mc Lean would remind us We are humans Eduardo and technology helps but in the end is attention to detail capacity to deal with the bizarre and to accommodate the weirdness making sometimes the impossible possible that differentiates a good conference made doing things right from an excellent conference based in doing the right things And on this last matter believe me we in TAKE are among the best in the world because apart from being outstanding scholars and good colleagues we are an amazing group of friends and friendship is the best way to turn good conferences into outstanding ones Many thanks from the heart and enjoy the Conference Eduardo Tom Conference Chair Universidad Europea Lisbon July 2019 Lisbon Portugal

While this might not be the Meet Jill Watson Georgia Techs First Ai Teaching Assistant full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Meet Jill Watson Georgia Techs First Ai Teaching Assistant eBooks, including some popular titles.

FAQs About Meet Jill Watson Georgia Techs First Ai Teaching Assistant Books

What is a Meet Jill Watson Georgia Techs First Ai Teaching Assistant PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Meet Jill Watson Georgia Techs First Ai Teaching Assistant PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Meet Jill Watson Georgia Techs First Ai Teaching Assistant PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Meet Jill Watson Georgia Techs First Ai Teaching Assistant PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Meet Jill Watson Georgia Techs First Ai Teaching Assistant PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
