**MATTHEW M.
RADMANESH PH.D.**

The background of the slide is a complex, multi-colored grid pattern. The grid consists of numerous overlapping lines in shades of green, blue, and red, creating a dense, web-like structure. In the center of the grid, there is a prominent figure-eight shape formed by two intersecting loops, colored in bright cyan and yellow. The overall appearance is that of a technical diagram, possibly a Smith chart or a similar engineering plot, used in the field of RF and microwave engineering.
