| 2. job sharing   | B. You will your work on services to a number of different companies.                                      |
| 3. shift work    | C. You work for different companies for a short time without a permanent contract.                         |
| 4. part-time     | D. You work a number of hours per week on months but you decide when you start or finish.                  |
| 5. temping       | E. You don't have a permanent place or office to work from, but you find a place to work where you arrive. |
| 6. consultancy   | F. You work for a company from home via email, phone or the Internet.                                      |
| 7. freelance     | G. You only work for some of the week (not full-time).   |
| 8. flexi-working | H. You do your job for part of the week and another person does it for the other part.                     |

3 Here are some people describing the advantages and disadvantages of different ways of working. Match the ways of working to exercise 2 to their comments. Some comments might describe more than one way.

It's great because I'm my own boss, but I still work with lots of different people.

I wish I had my own space. I have to carry everything around in my bag and sometimes there's nowhere to sit.

I like it because it's only for a couple of months and I'm looking up to go round the world.

The only problem is sleeping. Your body never knows if it's night or day!

It can get a bit lonely at times, but I meet my colleagues and all the other people.

My children are at school so it lets me spend more time with them.

When one of us needs a week off, the other person does a few extra days so it's fairly flexible.

4 Work in pairs. Think of some more advantages or disadvantages for each way of working in exercise 2.
