Murder on Naked Beach J. J. Henderson, 2016-05-14 Lucy Ripken is 30, something single and struggling to make it as a photographer in New York City. Smart, tough and fiercely protective of her friends and privacy, all Lucy really wants is a life of travel and adventure and maybe a devilishly handsome bad decision to share it with. She finds all three in *Murder on Naked Beach*, the first novel of this sizzling new mystery series. It was supposed to be a relaxing vacation but it isn't long before there's a corpse in a hot tub and a killer on the loose. The company line claims the victim died of a heart attack but Lucy's not buying it. It isn't long before her sleuthing leads her way off Jamaica's beaten tourist path and straight into danger, drug smuggling and into the crosshairs of a sexy and suspicious DEA agent. With *Murder on Naked Beach*, author J. J. Henderson introduces us to a sassy and sexy new sleuth in this suspenseful and sharply funny novel.

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters, female sleuths may live in the past or the future. They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting, however, to compare the fictional world of the mystery sleuth with the world in which readers live. Of course, mystery readers do not share one simplistic world. They live in urban, suburban and rural areas as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor, young or old, conservative or liberal. So are the heroines. What incredible choices there are today in mystery series. This three-volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu, the descriptions of the items that are provided are subjective. Volume 3 of *Mystery Women*, as currently updated, adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1, 1990 to December 31, 1999. This more than doubles the number of sleuths introduced in the 1980s, 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1, which covered a 130-year period from 1860-1979. It also includes updates on those individuals covered in the first edition, changes in status, short reviews of

books published since the first edition through December 31 2008 People v Perry, 460 Mich 55 (1999) ,1999 107621
