Prince2 Jason Dion, 2018-07-22. In this book, you will receive a crash course that will introduce you to everything you need to know in order to pass the PRINCE2 Foundation certification exam. This book covers just the essentials with no fluff, filler, or extra material, so you can learn the material quickly and conquer the certification exam with ease. This book assumes that you have no previous experience with the PRINCE2 methodology and will teach you the bare minimum you need to know in order to take and pass the PRINCE2 Foundation certification exam on your first attempt. This book will NOT teach you everything you need to know to be efficient or effective in implementing the PRINCE2 methodology in your organization, but it will make you familiar with all the principles, themes, and processes that PRINCE2 uses during successful projects. After all, this text is designed to get you to pass the certification exam, not to make you an expert in PRINCE2. Due to the design of this text, we will move at a very quick pace through the material. If you read this entire book and take the practice exams located at the end of the text, scoring at least an 85% or higher, you will be ready to take and pass the PRINCE2 Foundation exam on your first attempt. This book also includes free access to our PRINCE2 Foundation Cram to Pass video course, a 19.99 value when you register your copy at our website, DionTraining.com. Dion Training is an Authorized Training Organization (ATO) for the ITIL Foundations exam. Discount exam vouchers are available through our website for students.
