The Dragon's Voice Bunty Avieson, 2015-04-01 This is a fascinating account of ancient culture colliding with modern media Tucked between Tibet and India in the Himalayas the kingdom of Bhutan is one of the most isolated and beautiful countries in the world In *The Dragon's Voice* Australian journalist Bunty Avieson provides a glimpse of life beyond the country's exotic exterior As a consultant to local newspaper *Bhutan Observer* she admires the paper's strong social conscience but finds her expectations challenged in a country where spirituality and personal happiness are prioritized over work Avieson also witnesses the tensions that arise as a Buddhist kingdom makes the transition to democracy The courtship ritual of night hunting and the nation's first public demonstration become controversial news items while journalists must overcome traditional social hierarchies to keep politicians accountable With a unique blend of memoir and reportage *The Dragon's Voice* is both a deeply personal story and a vivid portrait of a nation on the cusp of revolutionary change

 Talking to Learn Pauline Jones,Jennifer Hammond,2018-10-09 This book examines the place of talk in learning and the
 role of such talk in literacy education It builds on a strong tradition of research into the role of talk in constructing
 curriculum knowledge the relationship between talking and thinking and the significance of extended in depth dialogic
 interaction in classroom talk However it differs from tradition with its emphasis on the need to make the role of language in
 learning more visible and more explicit This book places particular emphasis on the relationship between dialogic pedagogy
 and language based approaches to learning Contributions range from discussions on educational linguistics and dialogic
 pedagogy as complementary perspectives to needs of students for whom English is an additional language or dialect This
