The Attributes Of God:

The Attributes of God William Wilson, 1835 **The Attributes of God** Gerald Bray, 2021-01-25 How can we created beings know God the Creator Throughout history the church has recognized the importance of studying and understanding God s attributes As the Creator of all things God is unique and cannot be compared to any of his creatures so to know him believers turn to the pages of Scripture In *The Attributes of God* renowned theologian Gerald Bray leads us on an exploration of God s being his essential attributes his relational attributes and the relevance of his attributes to our thinking lives and worship As we better understand God s attributes we will learn to delight in who God is and how he has made himself known to us in Scripture *The Knowledge of the Holy* A. W. Tozer, 2022-01-27 This classic of Christian testimony and devotion explores the attributes of God in words that fly straight to the heart A superb aid to strengthening and deepening the spiritual life each chapter begins with a prayer lucidly discusses a divine aspect from God s infinity to God s love and relates that aspect to today s world while pointing always to God s wonder and inscrutability A W Tozer asserts that the cause of many of our modern spiritual woes is the loss in today s church of a lofty concept of God He argues persuasively that the cure lies in our rediscovery of God s majesty True religion confronts earth with heaven and brings eternity to bear upon time says the author in his preface The messenger of Christ though he speaks from God must also as the Quakers used to say speak to the condition of his hearers otherwise he will speak a language known only to himself His message must be not only timeless but timely He must speak to his own generation The message of this book is indeed both timeless and timely Tozer is primarily concerned with the loss of the concept of majesty from the popular mind and more importantly in the thinking of the church He sees the church as having surrendered her once lofty concept of God not deliberately but little by little and without her knowledge With this comes a further loss of religious awe and a sense of the divine presence of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence Tozer attempts to address this problem to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate he tells us *The Attributes of God* Arthur W. Pink, 2006-12-01 The foundation of our knowledge of God rests upon knowing what he is like Without understanding God s attributes we have a skewed perception of him often one cast in our own image We need more than just a theoretical knowledge of God in order to worship him as he desires This classic work of Arthur W Pink invites readers to discover the truth about seventeen attributes of God including his sovereignty immutability patience love faithfulness and much more Pink shows readers a God who is alive all powerful and active in his creation The perfect introductory text *The Attributes of God* also has enough depth and meat to satisfy the more experienced reader **Attributes of God pamphlet** Rose Publishing, 2012-02-21 Experience the relief joy and hope that comes from deepening your understanding of God s identity with Rose publishing s *Attributes of God* Rose Publishing s

how much time do we spend actually contemplating the nature of the divine In this volume author A W Pink plumbs the Scriptures and Christian theology to compile a surprisingly detailed account of the nature of God Even lifelong believers might be surprised by some of the findings presented in this engrossing analysis THE ATTRIBUTES OF GOD Arthur W. Pink,2021-11-11 If you want to get to know someone well it is helpful to learn their attributes characteristics Similarly if you want to know God well you need to understand what His attributes are Consider how God enriched our life by creating humans in his image Genesis 1 27 That indicates that he made it possible for us to reflect his superior attributes qualities in a small way He endowed us with spiritual capacity or the ability to understand his views and values As we endeavor to live by these we enjoy greater happiness and meaning in life More than that he gave us the potential to build a relationship with him The 20 short chapters in the second edition of THE ATTRIBUTES OF GOD by Arthur W Pink help readers discover the truth about God s most significant characteristics or qualities attributes Edward D Andrews an author of 170 books has updated archaic language added two additional attributes of God a modern literal translation for quoted Bible verses adding some 60 pages of material **Praying the Attributes of God** Ann Spangler,2013-09-20 God Is Greater than You Think Many people feel both drawn to God and afraid of him How can they feel close to a perfect God whom their flawed self is incapable of pleasing Fortunately God has revealed truths about himself in Scripture that can untangle our confusion In this daily guide to studying and praying according to the attributes of God Ann Spangler resurrects old fashioned words like holiness omnipotence omniscience and omnipresence Far from boring us these words when excavated for their biblical meaning paint a thrilling vision of God that can help us experience spiritual growth in a deeper way They can also prevent us from making the colossal mistake of concluding God is too weak distant or uncaring to help us when we need him In the tradition of her bestselling books *Praying the Names of God* and *Women of the Bible* this new daily devotional focuses on one particular attribute each week *Praying the Attributes of God* will help you see that God is far bigger and far better than you could ever hope or suspect **The Attributes of God in Islamic Thought** Mansooreh Khalilizand,2024-03-18 The debate over Allah s attribute the nature and the inner articulation of Allah is one of the focal debates in the intellectual history of Islam This edited collection aims to highlight and examine some aspects of this debate in their original context based on the relevant primary literature By showing that even an apparently self evident concept such as Allah which lies at the heart of every reading of Islam is highly ambiguous and polysemous the chapters also emphasise the plurality that has always existed in Islamic thought Through highlighting the philosophical and theological reflections on the concept of Allah the results of this study challenge the juristic reading of Islam in which Allah s function consists mainly in providing a detailed plan for the human life and also rewarding or punishing the ones who deviates from it The book also attempts to demonstrate the relevance and the actuality of the tradition and to stress its contemporaneity This volume makes a significant part of the intellectual tradition of Islam accessible for students and scholars of Islamic theology Islamic philosophy Islamic studies and

the like as well as providing a secondary source for teaching on the debate in question *The Attributes of God* Arthur W. Pink, 2016-08-17 The foundation of all true knowledge of God must be a clear mental apprehension of His perfections as revealed in Holy Scripture An unknown God can neither be trusted served nor worshipped In this booklet an effort has been made to set forth some of the principal perfections of the Divine character **Jehovistic names and titles of God. Meditating on the Attributes of GOD GERARD ASSEY, 2021-03-18 When we speak of God's attributes we are talking about those characteristics that help us to understand who He truly is An attribute of God is not a part of God not component parts of God In other words God is not 15% love 25% holy 5% righteousness 10% mercy etc Each attribute describes His total being For example love is not just a part of God's nature God in His total being is love Holiness is not just a part of God's nature God in His total being is holy And God will not compromise one of His attributes when exhibiting another attribute of His So we always need to remember that God is the sum of all perfections and because of which we must be careful when we study the attributes of God that we do not emphasize one attribute at the expense of the others What you will find in this book *Meditating on the Attributes of GOD* are just some of His attributes and are in no way thorough as God is infinitely far above and beyond our ability to fully understand and comprehend HIM Our finite minds cannot reason fully not even a fraction of Who God is but the Bible communicates what He is like so that we can know Him better God tells us through His very Word specific truths about Himself so that we can know what He is like and be drawn to better worship Him God's manifold attributes shine most clearly in His Son Jesus Christ who came to reveal His Father Through Christ's saving work on the cross we are able to know and worship God rightly And once we begin to grasp Who God really is and what He is like it will make a difference in our lives Properly understanding God is the key to trusting Him enough that He can live through you A W Tozer wrote What comes into our minds when we think about God is the most important thing about us A right view and understanding of God is essential if we are to develop trust and faith in Him and have real purpose in living So why learn about the attributes of God As someone very well put it A man's own character will necessarily be determined by the character of the god whom he worships What you are and what you will turn out to be in life is affected by whom or what you worship Therefore in order to have a true understanding of Who God is so as to rightly worship this God of the Bible we must have a right understanding of His attributes Though there are many good reasons why it is important for us to understand the attributes of God here are just 3 key reasons as to why I believe it is important for us to do so 1 It pleases God 2 It saves and protects us from having a wrong view of God 3 The result is joy in our hearts This book therefore aims to help us study and understand the attributes of this infinite God so that we delight in and love Him with all our heart soul strength and mind As you will notice this book dwells on twelve key attributes that have been selected one for every month And as you get into a particular month with a specific attribute for that month you will find 31 verses pertaining to that said month's attribute Use

this devotional to enrich your time set apart with God by taking one description of Him and meditating on that for the whole day along with the accompanying passage I pray that this book will help you in your worship of God the purpose you were created for by focusing on Him and His character

The Attributes of God Volume 1 A. W.
