When Harlem Was In Vogue:

When Harlem was in Vogue David Levering Lewis,1989 A social history of the Harlem Renaissance following World War I describing many African American artists of the time **Analysis and Assessment, 1980-1994** Cary D. Wintz,1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company Alain Locke Christopher Buck,2005

W. E. B. Du Bois, 1919-1963 David Levering Lewis,2001-09 Lewis charts the second half of Du Bois s career from the end of World War I on The Restless City Joanne Reitano,2010-07 The Restless City A Short History of New York from Colonial Times to the Present is a short lively history of the world s most exciting and diverse metropolis It shows how New York s perpetual struggles for power wealth and status exemplify the vigor creativity resilience and influence of the nation s premier urban center The updated second edition includes nineteen images and brings the story right up through the mayoral election of 2009 In these pages are the stories of a broad cross section of people and events that shaped the city including mayors and moguls women and workers and policemen and poets Joanne Reitano shows how New York has invigorated the American dream by confronting the fundamental economic political and social challenges that face every city Energized by change enriched by immigrants and enlivened by provocative leaders New York City s restlessness has always been its greatest asset **Voices from the Harlem Renaissance** Nathan Irvin Huggins,1995 Nathan Irvin Huggins showcases more than 120 selections from the political writings and arts of the Harlem Renaissance Featuring works by such greats as Langston Hughes Aaron Douglas and Gwendolyn Bennett here is an extraordinary look at the remarkable outpouring of African American literature and art during the 1920s The Color of Democracy in Women's Regional Writing Jean Carol Griffith,2009-08-17 An exciting addition to the ongoing debate about the place of regionalism in American literary history American regionalism has become a contested subject in literary studies alongside the ubiquitous triad of race class and gender The Color of Democracy in Women s Regional Writing enters into the heart of an ongoing debate in the field about the significance of regional fiction at the end of the 19th century Jean Griffith presents the innovative view that regional writing provided Edith Wharton Ellen Glasgow and Willa Cather with the means to explore social transformation in a form of fiction already closely associated with women readers and writers Griffith provides new readings of texts by these authors she places them alongside the works of their contemporaries including William Faulkner and Langston Hughes to show regionalism s responses to the debate over who was capable of democratic participation and reading regionalism s changing mediations between natives and strangers as reflections of the changing face of democracy This insightful work enriches the current debate about whether regionalism critiques hierarchies or participates in nationalist and racist agendas and will be of great interest to those invested in regional writing or the works of these significant authors **The Langston Hughes Review** ,1982 From Greenwich Village to Taos Flannery Burke,2008 Expands the picture of early American modernism well beyond New York City s dominant impact on the movement by revealing the rich and vibrant modernist art

community that New York socialite Mabel Dodge Luhan created in her famous Taos New Mexico salon

Critical Essays on Zora Neale Hurston Gloria L. Cronin, 1998 Nineteen reviews and eleven essays trace the critical reputation of Zora Neale Hurston's literary works **New Boston Review**, 1981 Survey of American Music Karen M. Bryan, 2004 **CLA Journal** College Language Association (U.S.), 2005 Écriture et engagement aux États-Unis Anne Ollivier-Mellios, Frédéric Sylvanise, 2010 A l'heure où de nombreux critiques s'accordent à penser que l'intellectuel n'existe plus il peut paraître difficile de passer de parler d'engagement ou d'intellectuel engagé Aussi cet ouvrage se propose-t-il d'interroger non pas la figure de l'intellectuel engagé mais la question de l'articulation entre critique et engagement dans l'entre-deux-guerres Cette question conduit à envisager tout autant l'engagement partisan des écrivains et des intellectuels américains que la manière dont ils ont aussi engagé leur art et leur critique certains d'entre eux notamment Langston Hughes ou John Dos Passos allant jusqu'à renouveler les formes même de la critique Cet ouvrage refuse la coupure traditionnelle entre les années 1920 et 1930 coupure qui ne semble guère pertinente en histoire littéraire et intellectuelle En effet les années 1920 ne furent pas pour les écrivains et intellectuels uniquement les Roaring Twenties mais également une période d'interrogations et d'engagement après les cataclysmes de la Grande Guerre et de la révolution bolchevique dont la Red Decade fut un prolongement radical
