

Zulily Shipping & Routing Guidelines

Introduction

This guide is an extension of Zulily's Vendor Terms and Conditions and is intended to standardize the packaging and inbound shipping of Zulily vendor shipments. This standardization allows us to increase efficiencies, expanding our distribution processes, and promotes our shared commitment to maintain excellence in delivering your products to Zulily customers with zero defects.

Any variance between ordered items and received items leads to poor customer satisfaction, additional expense in processing the cancelled items, and in some cases, a lost customer.

We request that all vendors label and barcode each item correctly if pre-printed UPCs aren't applied. Additionally, vendors must include a complete manifest/packing slip of all included items shipped inside the shipping carton/pallet to allow Zulily to quickly receive the goods and prepare for immediate delivery to Zulily customers.

We sincerely appreciate your support in helping us ensure that every Zulily customer order is promptly shipped with zero defects to our fulfillment centers.

We look forward to working together.

Thank you,
Zulily, LLC
