**Case Studies & Cocktails** Chris Ryan, Carrie Shuchart, 2018-08-06 After all the hard work on your application you're finally in to business school. Now what? The acceptance letter is just the beginning of your MBA experience. Even before classes start you'll face all kinds of new challenges: financing your degree, readjusting to homework, schmoozing recruiters. Now you can turn to this book produced by Manhattan GMAT, one of the leading names in GMAT preparation, to ready you for the challenges you'll face as a newly minted MBA candidate. *Case Studies Cocktails* will be your go-to guide as you prepare to enter your MBA program and throughout your time at b school. The authors, MBAs themselves, have drawn on their own experiences and interviewed current students for the inside scoop on every aspect of b school: from telling the boss you're going back to school to balancing wine and cheese in one hand while networking. The result is both a handbook for the social side of school and an academic primer on the material you'll have to master. The book even includes a glossary of need-to-know jargon so you won't feel lost when classmates start slinging around acronyms.
